****Received an email delivery failure from one of your emails. Please disregard if you already received the comments and petition attachments.****

To whom it may concern:

The attached petitions and comment letters opposing the eastward expansion of I-45 North, along Segment 1 of the NHHIP (North Houston Highway Improvement Project), were collected between December 2013 and January 2014. Most people along the freeway were unaware of the proposed freeway expansion, and all of them were opposed to losing their jobs and community for the benefit of additional right-of-way along the east side of I-45 North between IH610 and Beltway 8. The attached petitions and letters support Alternative 4 of Segment 1 in the NHHIProject.

To whom it may concern:

Northline Vision employs four (4) physicians & three (3) opticians and serves the Northside community.
We have at least 5000 patients, many of whom we have served since 2008.
We oppose any eastward expansion of I-45 north of 610, particularly around Airline Drive.
Expansion would leave many employees without work and the community without our vision services.
We support Alternative 4 of segment 1 in the I-45 North Freeway expansion.

TO WHOM IT MAY CONCERN

Re: North Houston Highway Improvement Project

Shamrock Machinery Company has had a 30,000 square foot warehouse located at 3200 North Freeway, Houston, TX 77009 since 1981. We typically employ eight to ten people and we contribute around $70,000.00 per year in property and inventory taxes.
Several of your proposed right-of-way sections imply that (1) we will not have frontage road access for an extended period of time, and (2) our building may be destroyed due to highway expansion. Shamrock Machinery Company will be forced out of business in either case.
Several of our employees live in the 77009 zip code. They will be forced to find other jobs, probably outside this zip code.
Our probable new location would be in the newer industrial area northwest of Houston. If we move and re-open in the northwest, we will take our tax contribution with us. And our future employees will be chosen from our new local area, not 77009 and probably not Houston.
Please keep this in mind and do not select Segment 1, Alternative 5. This would logically lead to acquiring east side right-of-way in Segment 2, which would have a negative impact on Shamrock Machinery Company and force us to close our current location.

Regards,

Mike Richards, President
Shamrock Machinery Company
3200 North Freeway
Houston, TX 77009

UNITED ACCESS
2770 North Freeway
Houston, TX 77009
Tel (713) 523-2600
Fax (713) 523-2500

December 23, 2013

Director of Project Development
Texas Dept. of Transportation

The proposed expansion of Interstate Highway 45 east of the current right-of-way will have a potentially devastating effect on United Access and its employees. The location of our business, with high visibility from the adjacent freeway, is responsible for a large percentage of our business. United Access employs 86 Houstonians, and all of those jobs will be threatened if we are forced to move.

I urge you to consider alternate plans for the re-design of I-45 so that there will not be such a devastating impact on lives of those employed here.

Sincerely,

Jim Barrett
Operations Manager

MOTOR TEX

6914 N. Freeway Houston TX 77076

December 23, 2013

Dear sir/Madam:

My name is Angelica Mendoza, I am an employee of Motor Tex located at 6914 N. Freeway Houston TX 77076. I am a widowed mother of three who struggles every day to maintain and keep up with the economy and lifestyle that is needed to survive. I thank the lord for being employed by Motor Tex, since then I have been able to provide and give my children the life they deserve. If you destroy the property where my employer is conducting business from, you will be taking away the means to continue the wellbeing of my family and so many others. The construction will disturb the life's of many.

I am one voice of much more, here at Motor Tex who support "Alternative 4 in segment 1" . I can be reached at the number listed below.

For your time and attention to this very important matter, I thank you.

Sincerely,

Angelica Mendoza – Manager

Happy Holidays

Motor Tex

To Whom It May Concern, 12/23/13

I am the manager of the "Waterbed Factory" off I-45 (7000 N.Freeway). It has come to my attention that there are proposals conerning the expantion and widening of Interstate 45 that would be detrimental to my business at the said location. We have been a Houston mainstay for about 35 years and would like to keep it that way. So I would like to formally put in writing that I support "Alternative 4 in Segment 1", for the prolonged good health and future of this company and the the companies around me that would be affected by any construction on the east side of Interstate 45.

I can be reached at 832-277-6997 if you have any further questions about my concerns, or if there are any forums to be held in discussion of this matter. Thank you for your time.

Sinerely,

Elijah Chambliss

To whom it may concern:

Hi my name is Jocelyn I been working for Dr. Xydas Women Center for 3 years. Alot of pregnant women come to this office which is more convenient for them. However we wouldnt like for the State to take our jobs and the care patients have at this office. It would be better for the freeway to be expand in the other side (opposite side) from where I work at. Not only me but people specially pregnant women need this location wouldnt like for this place to be close. Hope this letter will help. Thanks. I support alternative 4 segment 1.

6500 North Freway #110
Houston. Texas. 77076

I Yolanda Perez been working for dr. Xydas for the past 10 years. We have over 15 employees and we see over 80 patients a day. I don't think the freway should be extended to our side. It should be be extended to the opposite so we want increase our patients and our staff. I support alternative 4 segment 1.

Thank you

Yolanda

To whom it may concern

My name is Sylvia Gomez
I have been working for Dr. Nicolas P. Lydas for 11 years. The office is located at 6500 N. Freeway Suite #110. The practice has been open for 17 years and continues to bring an overwhelming amount of patients. The location is also very convienent where it is at to many patients and employees. It will not be convienent to build on this side. I support alternative 4 segment 1.

Thank You

Sylvia Gomez

12/23/13

I been working at the women center for 8yrs. We see a lot of patients in our office. Our pregnant patients really like our service and love coming here. they will really be dissappanted if we had to close our office. Also we need our job many of us work in these shopping center and we all work hard. We love our job and wouldn't want to move anywhere else. As us many other will be loosing their jobs if the freeway were to extand this way. Please dont take our jobs away. I support alternative 4 segment 1.

To whom it may concern:

The attached petitions and comment letters opposing the eastward expansion of I-45 North, along Segment 1 of the NHHIP (North Houston Highway Improvement Project), were collected between December 2013 and January 2014. Most people along the freeway were unaware of the proposed freeway expansion, and all of them were opposed to losing their jobs and community for the benefit of additional right-of-way along the east side of I-45 North between IH610 and Beltway 8. The attached petitions and letters support Alternative 4 of Segment 1 in the NHHIProject.

To: pathenry@txdot.gov

Mr. Henry,

I have been recently informed of the I-45N Expansion of the east side and as a Small business owner who has been established in this community for over 44 years is opposed. The expansion of the east side of I45 will destroy many small independent businesses in the community. Our Medical Supply Business was established in 1979 in this shopping center which you are proposing to demolish with the expansion of the freeway.

The proposed expansion would b the financial destruction of many independent businesses including Ace Medical Supply. I ask that you reconsider using other alternatives to the expansion of the I45 corridor.

--

Thanks!

PETITION TO TxDOT

We, the attached signers, are opposed to any and all eastward expansion of I-45 North in Segment 1**,** the section of I-45 between I-610 and Beltway 8, particularly as pertains to the segment between I-610 North Loop to West Gulf Bank Rd. We do not want our property, businesses, clinics, restaurants, neighborhood or jobs destroyed on the east side of I-45 North for the benefit of the North Houston Highway Improvement Project (NHHIP), or any other I-45 North freeway expansion.

We support Alternative 4 of Segment 1 so long as the Texas Department of Transportation, the NHHIP, any Texas state authority, or any other private or public entity does not expand the existing right-of-way on the east side of I-45 North. We request all I-45 North freeway expansion along Segment 1 of the NHHIP to be taken from the west side of I-45 North, particularly as pertain to the segment of I-45 North between I-610 North Loop to West Gulf Bank Rd.

WE OPPOSE THE EASTWARD EXPANSION of I-45 NORTH
