## Material Producer List

Materials & Tests Division

## Coal Ash

The following sources are prequalified in accordance with DMS-4610, “Coal Ash,” or DMS-4615 “Fly Ash for Soil Stabilization.”

This Material Producer List applies to the June 2020 letting and prior.

The Department reserves the right to conduct random sampling of prequalified materials for testing and to perform random audits of test reports. Department representatives may sample material from the manufacturing plant, terminal, shipping container, and concrete plant. The Materials & Tests Division (MTD) reserves the right to test samples to verify compliance with DMS-4610 or DMS-4615.

All sources approved as Class F and Class C are also approved as Class FS and CS, respectively.

For more information, contact MTD’s Rigid Pavements and Concrete Materials Section at (512) 506-5858.
