The Texas Transportation Commission (commission) finds it necessary to withdraw the previously proposed amendments to §24.13, relating to corridor planning and development, to be codified under Title 43, Texas Administrative Code, Part 1.

At its October 29, 2009 meeting, the commission proposed amendments to §15.9, concerning corridor advisory committees and new §15.10, which provides for segment advisory committees, including a sunset date for those committees. As a result of the amendments to §15.9 and proposed new §15.10, the previously proposed amendments to §24.13 are now unnecessary.

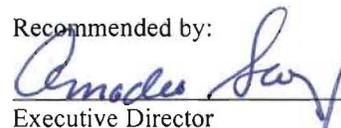

IT IS THEREFORE ORDERED by the commission that the amendments to §24.13 previously proposed by Minute Order 111922 dated August 27, 2009 are withdrawn.

The executive director is directed to take the necessary steps to implement the actions as ordered in this minute order, pursuant to the requirements of the Administrative Procedure Act, Government Code, Chapter 2001.
