Pursuant to Title 43, Texas Administrative Code, §15.3, revisions to metropolitan planning area boundaries must be approved by the governor or the governor's designee. The governor and the Texas Department of Transportation must be provided documentation and the rationale supporting any recommended boundary change.

In accordance with Title 23, CFR §450.312, a metropolitan planning area boundary shall, at a minimum, encompass the entire existing urbanized area and the contiguous area expected to become urbanized within a 20-year forecast period for the metropolitan transportation plan. The metropolitan planning area boundaries may be further expanded to encompass the entire metropolitan statistical area or combined statistical area, as defined by the Office of Management and Budget.

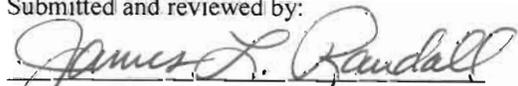

On October 4, 2005, Governor Perry delegated authority to the Texas Transportation Commission (commission) to approve metropolitan planning area boundary changes.

On January 11, 2010, the Capital Area Metropolitan Planning Organization (CAMPO) Policy Board approved the expanded metropolitan area boundary to include the entire metropolitan statistical area. Bastrop and Caldwell counties are part of the Austin-Round Rock Metropolitan Statistical Area.

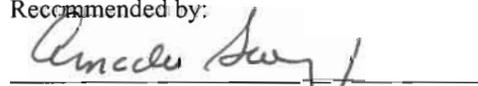

The commission has reviewed and accepted the documentation and rationale supporting the metropolitan planning area boundary changes provided by CAMPO.

IT IS THEREFORE ORDERED by the commission that the proposed CAMPO metropolitan area boundary changes, as shown in Exhibit A, are hereby approved in accordance with Title 23, CFR §450.312.
