

IMPLEMENTATION OF SUNSET ADVISORY COMMISSION RECOMMENDATIONS

DESCRIPTION

This presentation describes the department's implementation of Sunset Advisory Commission recommendations.

ISSUES

- Issue 2: transportation planning and project development.
- Issue 3: public involvement efforts, customer relationships and information sharing.
- Issue 4: professional services contracts.

REFERENCES

The presentation references changes to planning and programming rules in Title 43 Texas Administrative Code, Chapter 15.

DESIRED RESULTS

Update and inform the transportation commission on the department's implementation of Sunset recommendation as the 82nd Legislative Session draws near.

FURTHER ACTIONS

The department will continue working to implement all items in the report by their identified completion dates.

OTHER

The Sunset Advisory Commission will have a public hearing to take testimony of staff recommendations in December. Sunset Advisory Commission decisions will be released in January 2011.
