

ASSESSMENT OF THE GRANT THORNTON MANAGEMENT REVIEW

DESCRIPTION

The commission received the Grant Thornton Management and Organizational Review on May 26. The report contained specific findings and recommendations. Department staff will present a preliminary assessment of the report and seek direction from the commission of any areas that might require further evaluation.

ISSUES

None

None

DESIRED RESULTS

Receive input from the commission concerning future steps and begin a dialogue concerning the report's many recommendations and findings.

FURTHER ACTIONS

The commission will advise the department of any additional information required to determine the extent of implementation. The commission will further advise the department of the process to be used as part of the implementation plan. The process may include direction to hire a consulting firm, hire a project manager or task the department to initiate an implementation plan.

OTHER

Grant Thornton's full report is posted on department internet and intranet websites.
