The Texas Transportation Commission (commission) takes special note of its designation by governor as the administering agency for the Federal Transit Administration (FTA) grant program, "Formula Grant Program for Areas Other than Urbanized" (49 U.S.C. §5311), in a letter dated October 4, 2005; and further acknowledges that federal program regulations require the Texas Department of Transportation (department) to ensure that these grant funds are distributed fairly and equitably within the state.

The commission may award funds from the commission discretionary §5311 program funds on a pro rata basis, competitively, or a combination of both in accordance with 43 Texas Administrative Code §31.36 (g) (3).

The commission desires to award \$7,484,465 in §5311 program funds to rural operators.

Transportation Code, Chapter 455, assigns a broad spectrum of public transportation roles and missions to the department.

Transportation Code, Chapter 456, authorizes the commission to administer funds appropriated for public transportation.

IT IS THEREFORE ORDERED by the commission that the executive director or the director's designee is directed to proceed with the awards as described in Exhibit A, submit the necessary state application to the FTA, and enter into the necessary contracts.
