SAN ANTONIO District

In ATASCOSA COUNTY, on STATE HIGHWAY 16, the State of Texas used certain land acquired in the county's name for roadside park purposes.

The land (surplus land), described in Exhibit A, is no longer needed for a state highway purpose.

In accordance with V.T.C.A., Transportation Code, Chapter 202, Subchapter B, the Texas Transportation Commission (commission) may recommend the quitclaim to a county or municipality any interest in property acquired and held by the county or municipality in its own name for use by the state.

It is the opinion of the commission that it is proper and correct that the state quitclaim its rights and interest in the surplus land to the county.

NOW, THEREFORE, the commission finds that the surplus land is no longer needed for a state highway purpose and recommends, subject to approval by the attorney general, that the Governor of Texas execute a proper instrument quitclaiming all of the state's rights and interest in the surplus land to Atascosa County, Texas.
