LAREDO District

Government Code, §1403.002, requires the Texas Public Finance Authority (TPFA), as authorized by the Office of the Governor, to issue general obligation bonds and notes in an aggregate amount not to exceed \$175 million. The TPFA shall, as directed by the Texas Department of Transportation, distribute the proceeds to counties to provide financial assistance for colonia access roadway projects to serve border colonias. Government Code, §1403.002, further requires the Texas Transportation Commission (commission) to establish a program to administer the use of the proceeds of the bonds and notes.

The commission approved projects for funding under the third call of the Border Colonias Access Program by Minute Order 111442, dated July 31, 2008.

Title 43, Texas Administrative Code, §15.105(10), provides that a county may use unexpended funds from a project on any other commission-selected county colonia project. Kinney County (county) has requested approval to transfer \$107,192.51 of the non-competitive funds awarded to the county by Minute Order 111442 from the Spofford Colonia project to the Brackettville Colonia project.

IT IS THEREFORE ORDERED by the commission that the county's request to transfer \$107,192.51 of the non-competitive funds awarded to the county by Minute Order 111442 from the Spofford Colonia project to the Brackettville Colonia project is approved.

IT IS FURTHER ORDERED that the authorized balance amount for the Spofford Colonia project is reduced to \$747,807.49 after the transfer to the Brackettville Colonia project.
