The Texas Department of Transportation (department) is authorized under the federal Aviation Development Act and the state Aviation Facilities Development and Financial Assistance Act to award federal and state funding for capital improvement projects and to assist in the development and establishment of airports in the state of Texas.

The airports listed in Exhibit A are currently in need of improvements to preserve the airports or to meet standards. The department recommends the award of federal and state grant funds for the improvements.

On Thursday, December 9, 2010 and Wednesday, December 15, 2010, public hearings were held. No comments were received.

IT IS THEREFORE ORDERED by the Texas Transportation Commission that the executive director, or the director's designee, is authorized to enter into any necessary agreements to fund, through the Aviation Facilities Grant Program, the projects described in Exhibit A at an estimated cost of \$3,424,440.
