Transportation Code, Section 55.006, requires the Texas Transportation Commission (commission) to appoint a seven-member Port Authority Advisory Committee (committee) to advise the commission and the Texas Department of Transportation (department) on port issues and to provide a forum for exchange of information between the commission, the department, and committee members representing the Texas port system.

The department's administrative rules governing this advisory committee, Title 43, Texas Administrative Code, Section 1.84(c), provide that the committee members serve staggered three-year terms, unless removed sooner at the discretion of the commission.

The commission previously appointed Tony L. Rigdon, representing the Port of Victoria, to a three-year term on the committee. Mr. Rigdon is no longer employed by the Port of Victoria and has resigned his position on the committee. The commission has determined that the individual listed below fulfills the statutory requirements to serve as a member of the committee for the remainder of the term set to expire on February 28, 2014.
