The Camino Real Regional Mobility Authority (CRRMA) submitted an application for up to \$20 million in financial assistance from the State Infrastructure Bank (SIB) under Title 43 Texas Administrative Code, Chapter 6 (rules). The application satisfies all requirements of the rules, including passage by the CRRMA of a resolution authorizing submission of the application to the Texas Department of Transportation (department). The CRRMA intends to use the financial assistance to pay for a portion of the costs of constructing the Loop 375 (Northeast) mainlane extension project from Business 54 to US 54 in El Paso County (project).

The intended use of the financial assistance conforms to the purposes of the SIB. The present and projected financial condition of the SIB is sufficient to cover the requested financial assistance for the project.

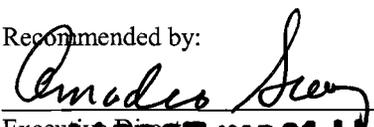

Based on department review and analysis of the application, the Texas Transportation Commission (commission) makes the following findings: 1) the CRRMA has pledged revenues of the City of El Paso Transportation Reinvestment Zone Number Three as security to assure likely repayment of the financial assistance; 2) the project is consistent with the Statewide Transportation Plan; 3) the project is listed in the Statewide Transportation Improvement Program and is consistent with the State Implementation Plan; 4) the project will improve both the safety and efficiency of state transportation systems; and 5) the repayment of the financial assistance under negotiated terms will expand the availability of funding for other transportation projects and reduce direct state costs.

NOW, THEREFORE, IT IS DETERMINED that the application for SIB financial assistance submitted by the Camino Real Regional Mobility Authority meets the requirements of commission rules, and in accordance with those rules and applicable law, the commission grants preliminary approval of the application to borrow up to \$20 million from the SIB, and directs the executive director to commence negotiations and other actions authorized and required by its rules.
