Government Code, §2001.039 requires state agencies to readopt their rules every four years and, prior to readopting, to consider whether the reason for adopting each rule continues to exist.

During October 2011, the Texas Department of Transportation reviewed Title 43 Texas Administrative Code, Part 1, Chapter 3, Public Information; Chapter 4, Employment Practices; Chapter 6, State Infrastructure Bank; Chapter 9, Contract Management; Chapter 13, Materials Quality; Chapter 22, Use of State Property; Chapter 23, Travel Information; Chapter 25, Traffic Operations; and Chapter 29, Maintenance. The Notice of Intent to review was published in the *Texas Register* on September 30, 2011 (36 TexReg 6516).

No comments were received regarding this rule review.

The Texas Transportation Commission (commission) finds that the reasons for adopting these rules continue to exist.

Independent of the rule review, the commission contemporaneously adopted amendments to §25.1, Uniform Traffic Control Devices, and §§25.950-25.957, Memorial Sign Program for Victims of Impaired Driving and Motorcycle Crashes.

IT IS THEREFORE ORDERED by the commission that the executive director provide for filing with the Office of the Secretary of State, Texas Register Division, a notice readopting these rules.
