CORPUS CHRISTI District

In NUECES COUNTY, officials have requested the designation of INTERSTATE HIGHWAY 69 (I-69) concurrent with US HIGHWAY 77 (US 77), from I-37 in Corpus Christi southward to SH 44 in Robstown, a distance of approximately 6.2 miles.

In Minute Order 112791, dated August 25, 2011, the Texas Transportation Commission (commission) authorized the submission of an application to the American Association of State Highway and Transportation Officials (AASHTO) requesting that the segment of US 77 described above be added to the Interstate Highway System and designated as I-69. During its October 2011 meeting, the AASHTO Special Committee on US Route Numbering approved the application.

Pursuant to Texas Transportation Code, §§201.103 and 221.001, the interim executive director has recommended the concurrent designation of I-69 with US 77 on the state highway system.

The commission finds that the designation will facilitate the flow of traffic, promote public safety, maintain continuity of the state highway system, and is necessary for the proper development and operation of the system.

IT IS THEREFORE ORDERED by the commission that I-69 is designated on the state highway system concurrent with US 77 from I-37 in Corpus Christi southward approximately 6.2 miles to SH 44 in Robstown, as shown in Exhibit A.
