

TEXAS TRANSPORTATION COMMISSION

SMITH County

MINUTE ORDER

Page 1 of 1

TYLER District

Title 43, Texas Administrative Code, §27.82(d) provides that the Texas Transportation Commission (commission) will establish toll rates for the use of a toll project on the state highway system. In setting toll rates, the commission considered: (1) the results of traffic and revenue studies and any schedule of toll rates established in a traffic and revenue report; and (2) vehicle classifications, type and location of the facility, and similar criteria that apply to a specific project.

The first five-mile segment of Loop 49 from State Highway 155 to US 69 (Segment 1) opened to traffic in August 2006 as a two-lane, two-way facility. The second two-mile segment from US 69 to Farm to Market 756 (Segment 2) opened to traffic in January 2008. The third 2.5 mile segment from FM 756 to SH 110 (Segment 5) opened to traffic in June 2012. The fourth 6.6 mile segment from SH 31 to SH 155 (Segment 3A) is under construction with anticipated opening in Fall 2012. This facility will provide traffic relief through the growing areas of Smith County and will use all-electronic, open-road tolling, including video tolling.

The results of the toll rate analysis for Segments 3A and 5 of Loop 49 provides toll rates at each tolling point as set forth in Exhibit A.

IT IS THEREFORE ORDERED by the commission that the Texas Department of Transportation is authorized to charge tolls on Segment 3A (from SH 31 to SH 155) and Segment 5 (from FM 756 to SH 110) of the Loop 49 toll project in the amounts stated in Exhibit A.
