Transportation Code §21.003, requires the Texas Transportation Commission (commission) to appoint a six-member Aviation Advisory Committee (committee) to advise the commission and the Texas Department of Transportation (department) on aviation matters.

Transportation Code §21.003, further provides that each member of the committee must have five years of successful experience as an aircraft pilot, an aircraft facilities manager or a fixed-base operator.

The department's administrative rules governing advisory committees (Title 43, TAC, §§1.80-1.85) provide that committee members serve three-year terms.

The terms of two members expire on August 31, 2012; therefore, it is necessary for the commission to reappoint them for terms to expire on August 31, 2015.

The commission has determined that the individuals listed below fulfill the statutory requirements to serve as members of the committee:

Joe Crawford
Abilene, Texas

John White
San Antonio, Texas

IT IS THEREFORE ORDERED by the commission that the individuals identified above are hereby appointed for three-year terms as members of the Aviation Advisory Committee with terms effective September 1, 2012, and expiring on August 31, 2015.
