- 1 Adoption Preamble
- 2 The Texas Department of Transportation (department) adopts
- 3 amendments to §15.90, Reports and Audits, concerning
- 4 Transportation Corporations. The amendments to §15.90 are
- 5 adopted without changes to the proposed text as published in the
- 6 June 15, 2012 issue of the Texas Register (37 TexReg 4404) and
- 7 will not be republished.

- 9 EXPLANATION OF ADOPTED AMENDMENTS
- 10 Under §§15.94 and 15.95 of the department's rules concerning
- 11 transportation corporations, the Texas Transportation Commission
- 12 (commission) is authorized to create a transportation
- 13 corporation for the purpose of (1) issuing private activity
- 14 bonds for transportation projects developed or to be developed
- 15 under comprehensive development agreements entered into by the
- 16 department, and (2) developing, financing, designing,
- 17 constructing, reconstructing, expanding, operating, or
- 18 maintaining a department toll project. The directors of those
- 19 corporations are full-time, permanent employees of the
- 20 department.

21

- 22 Section 15.90(c) requires a corporation to submit to the
- 23 executive director of the department an annual financial audit
- 24 conducted by an independent certified public accountant in
- 25 accordance with that subsection.

- 1 The intent of §15.90(c) was to require private corporations to
- 2 provide audited reports, since those reports would need to be
- 3 incorporated in the department's annual report. Those reports
- 4 are not needed for corporations created by the commission. The
- 5 department's agency wide financials do not typically receive an
- 6 audit opinion, however significant line items are audited as
- 7 part of the state's consolidated annual financial report.

8

- 9 Section 15.90(c) is amended to provide that a corporation that
- 10 is authorized by the commission under §§15.94 or 15.95 is not
- 11 required to have an annual audit performed and is not required
- 12 to submit a report under that subsection.

13

- 14 COMMENTS
- 15 No comments on the proposed amendments were received.

16

- 17 STATUTORY AUTHORITY
- 18 The amendments are adopted under Transportation Code, §201.101,
- 19 which provides the commission with the authority to establish
- 20 rules for the conduct of the work of the department, and more
- 21 specifically, Transportation Code, §431.023, which authorizes
- 22 the commission to approve the creation of a transportation
- 23 corporation.
