FORT WORTH District

In ERATH COUNTY, the Fort Worth District has requested the redesignation of the proposed US HIGHWAY 67 (US 67) Relief Route around the city of Dublin as STATE HIGHWAY 267 (SH 267), from approximately 1.6 miles north of Farm to Market Road 219 in the city of Dublin southwestward to a point approximately 1.8 miles northeast of the Comanche county line.

Pursuant to Texas Transportation Code, §§201.103 and 221.001, the executive director has recommended that a segment of proposed US 67 around the city of Dublin be redesignated on the state highway system as SH 267.

The Texas Transportation Commission (commission) finds that the redesignation of proposed US 67 as SH 267 will facilitate the flow of traffic, promote public safety, and maintain continuity of the state highway system and is necessary for the proper development and operation of the system.

IT IS THEREFORE ORDERED by the commission that the proposed US 67 Relief Route around the city of Dublin be redesignated as SH 267, a distance of approximately 4.6 miles.
