Government Code, §2001.039 requires state agencies to readopt their rules every four years and, prior to readopting, to consider whether the reason for adopting each rule continues to exist.

During April and May 2012, the Texas Department of Transportation reviewed Title 43 Texas Administrative Code, Part 1, Chapter 1, Management and Chapter 11, Design. The Notice of Intent to review was published in the *Texas Register* on April 13, 2012 (37 TexReg 2702).

No comments were received regarding this rule review.

The Texas Transportation Commission (commission) finds that the reasons for adopting these rules continue to exist.

IT IS THEREFORE ORDERED by the commission that the reviewed rules are readopted and that the executive director provide for filing with the Office of the Secretary of State, Texas Register Division, a notice readopting these rules.
