

Laboratories Approved to Perform Tex-242-F, “Hamburg Wheel-Tracking Test”

Material Producer List

Materials & Tests Division (MTD)

Laboratories Approved to Perform Tex-242-F, “Hamburg Wheel-Tracking Test”

The following laboratories are pre-qualified to perform Tex-242-F, “Hamburg Wheel-Tracking Test,” for either quality assurance or quality control for Department projects. Quality assurance testing used for material acceptance must be performed by the Department or the Department’s authorized representative.

Pre-qualification approval requires an initial split sample testing with the Materials & Tests Division’s (MTD) central laboratory. Laboratories must also participate in the Annual State-wide Hamburg Wheel Tracking Test proficiency program.

For more information, contact the Materials and Tests Division’s Bituminous Branch at (512) 506-5805.
