- **US 69 (Angelina County)** Add center turn lane from FM 841 to FM 1475 - \$20.7 million

MAINTENANCE: The Lufkin District spends approximately \$10.8 million annually on seal coat projects. It will spend several million in FY 2023 rehabilitating roadways throughout the district.

CONSTRUCTION: In FY 2023, the district will take bids for more than \$330 million on construction projects, replacement of off-system and on-system bridges, safety treating and upgrading metal beam guard fence, rights-of-way preparation, bridge maintenance, intersection improvements, sidewalks and curb ramps, overlay, road rehabilitation, safety median cable barriers and widening.

CORRIDORS: The Lufkin District's priority corridor effort is the development of I-69 either through the Upgrade Option, New Location Option, or a combination of both along US 59 and US 84.
