Please be advised that this Addendum No. 2 includes a new Exhibit 16 (Performance Requirements) to the COMA. Exhibit 16 is the same document that was formerly Attachment 1 to Exhibit 2 to the COMA. Because the document is not new to Proposers, the redlines in Exhibit 16 reflect only the changes made to the table since issuance of Addendum No. 1 to the RFP.

The deadline for submission of questions and comments regarding the Addendum No. 2 to the Final RFP is December 1, 2014 by 5:00 pm Central Time, via your SH 360 Proposer SharePoint Site <https://portal.txspd.com/sh360/main/RFP/default.aspx> with a copy sent via e-mail to TXDOT_FTW_PPP_SH360-Section1@txdot.gov.

Proposer's attention is drawn to Section 2.3 of the ITP, which provides the instructions for any comments and requests for clarification regarding the RFP, including limits on the number of Proposer comments/questions.

TxDOT looks forward to working closely with the shortlisted Proposers as we collectively move forward to the next phase of the SH 360 Project procurement.

Sincerely,
