YOAKUM District

The Texas Transportation Commission (commission) takes special note of its designation by the governor as the administering agency for the Federal Transit Administration (FTA) grant program, Job Access and Reverse Commute Formula Grant Program (JARC) (49 U.S.C. §5316), in a letter dated October 4, 2005; and further acknowledges that federal program regulations require the Texas Department of Transportation (department) to ensure that these grant funds are distributed fairly and equitably within the state.

The Texas Transportation Commission (commission) desires to award federal §5316 JARC funds to Colorado Valley Transit, Inc. (CVT) to operate an ongoing JARC project.

The commission recognizes the importance of the success of the JARC projects and finds that the \$123,203 is available for award to CVT.

Transportation Code, Chapter 455 assigns a broad spectrum of public transportation roles and missions to the department.

Transportation Code, Chapter 456 authorizes the commission to administer funds appropriated for public transportation.

IT IS THEREFORE ORDERED by the commission that the executive director or the director's designee is directed to proceed with the award of \$123,203 to CVT and enter into the necessary contract in accordance with the priorities as established in this minute order.
