TYLER District

In GREGG COUNTY, the city of Longview has requested that the designation of FARM TO MARKET ROAD 2275 be extended along a new location from the present terminus at SH 300 to US 259, a distance of approximately 4.4 miles (extension).

Pursuant to Texas Transportation Code, §§201.103 and 221.001, the executive director has recommended that the extension be designated as FM 2275 and incorporated into the state highway system.

The Texas Transportation Commission (commission) finds that the extension of FM 2275 will facilitate the flow of traffic, promote public safety, and maintain continuity of the state highway system and is necessary for the proper development and operation of the system.

IT IS THEREFORE ORDERED by the commission that the designation of FM 2275 is extended along a new location from its present terminus at SH 300 to US 259, a distance of approximately 4.4 miles, and the extension is added to the state highway system. In the event construction does not begin within 36 months of the date of this order, this order shall be null and void.

IT IS FURTHER ORDERED that if the extension is developed by an entity other than the Texas Department of Transportation (department), the maintenance, control, and jurisdiction of the extension will remain with the developing entity until the highway is opened to traffic as approved by the department.
