

I-27 Advisory Committee (S.B. 1474)

Meeting #7
Del Rio, Texas

September 19, 2024

Welcome and Opening Remarks

Honorable Brenda Gunter, Mayor, City of San Angelo, I-27 Advisory Committee Chair

Caroline Mays, AICP, Director, Planning and Modal Programs, TxDOT

Alejandro "Alex" G. Meade III, Commissioner, Texas Transportation Commission

Agenda

- 1 | Coffee and Networking
- 2 | Welcome and Opening Remarks
- **3** | Roll Call/Safety Minute
- 4 | Update from Ports-to-Plains Alliance
- **5** | I-27 Designation
- **6** | 2025 Unified Transportation Program Update

- **7** | Metropolitan Planning Organization (MPO) Update
- **8** | Statewide Long-Range Transportation Plan
- 9 | Closing Remarks

Introduce New Members

City of Lubbock – Mayor, Mark McBrayer

Roll Call

Committee Chair Brenda Gunter City of San Angelo

Committee Vice-Chair Curtis Parrish Lubbock County

Mayor Alvaro "Al" Arreola City of Del Rio

Mayor Lori Blong City of Midland

Mayor Robert Moore City of Big Spring

Mayor Mark McBrayer City of Lubbock

Mayor Cole Stanley City of Amarillo

Mayor Dr. Victor D. Trevino City of Laredo

County Judge Lane Carter Tom Green County

County Judge Alicia Law Sherman County

County Judge Randy Johnson Howard County

County Judge Terry Johnson Midland County

County Judge Lewis Owens Val Verde County

County Judge Rowdy Rhoades Moore County

County Judge Wes Ritchey Dallam County

County Judge Nancy Tanner Potter County

County Judge Tano E. Tijerina Webb County

President & CEO Tracee Bentley Permian Strategic Partnership

President & CEO Kevin Carter Segment 1: Amarillo Economic Development Corporation

President & CEO John Osborne Segment 2: Lubbock Economic Development Alliance

Economic
Development
Director
Jorge Ramon
Segment 3:
City of Del Rio
Economic
Development

Executive Vice President Gerry Schwebel International Bank of Commerce

Board Member, County Commissioner Dee Vaughan Texas Corn Producers

TxDOT District Leadership

Blair Johnson, P.E. District Engineer Amarillo District

Steven Warren, P.E. District Engineer Lubbock District

Glenn Allbritton, P.E.
District Engineer
Abilene District

Eric Lykins, P.E. District Engineer Odessa District

Chris Cowen, P.E. District Engineer San Angelo District

Epigmenio Gonzalez, P.E.
District Engineer
Laredo District

Kit Black, P.E. Director TP&D Amarillo District

Kylan Francis, P.E. Director of TP&D Lubbock District

Michael Haithcock, P.E. Director of TP&D Abilene District

Robert Ornelas, P.E. Director of TP&D Odessa District

John DeWitt, P.E. Director of TP&D San Angelo District

Roberto Rodriguez, P.E. Director of TP&D Laredo District

Safety Minute

Ports-to-Plains Corridor Crash Rate

- 29,724 total crashes from 2014-2021
- 383 of these crashes were fatal

Contributing Factors to Fatalities Along the Ports-to-Plains Corridor

- No Seatbelt Usage
- Speeding
- Distractions from Phones or Other Devices
- Driving Under the Influence of Alcohol or Drugs

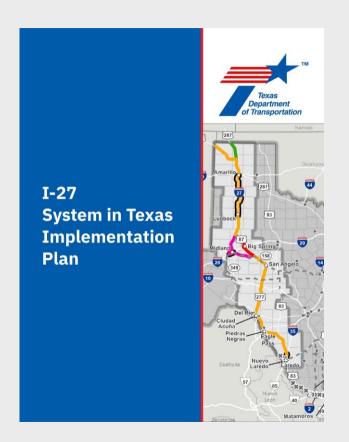

I-27 Implementation Plan

 The I-27 Implementation Plan has published. Please scan the QR code with your phone to view the document.

I-27 Designation

Lorena Echeverria de Misi, P.E.

Corridor Planning Branch Manager, Transportation Planning and Programming Division, TxDOT

I-27 Designation

 The 4-mile section of US 87 from existing I-27 to south of 130th Street in Lubbock has been designated I-27

Update from Ports-to-Plains Alliance

Lauren Garduno

President and CEO, Ports-to-Plains Alliance

2025 Unified Transportation Program Update

Blair Johnson, P.E., Amarillo District Engineer

Steven Warren, P.E., Lubbock District Engineer

Michael Haithcock, P.E, Abilene Director of Transportation Planning and Development

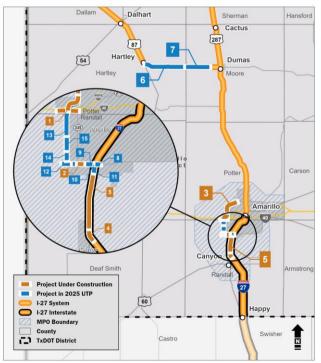

Eric Lykins, P.E., Odessa District Engineer

John DeWitt, P.E., San Angelo Director of Transportation Planning and Development

Epigmenio Gonzalez, P.E., Laredo District Engineer

NOTES:

- CST Construction
- P Planning
- PE Preliminary Engineering
- PS&E Preparation of Plans, Specifications, and Estimates
- Map 2 of 3 projects in place for development, not yet to interstate standards
- Feasibility Studies done for relief routes in Sonora and San Angelo were studied with an interstate as the ultimate design

- Serves mobility objectives of Texas
 Trunk System & Ports-to-Plains
 corridors
- Preferred alignment established by study chartered by COSA/SAMPO and completed in May 2002
- Study/implementation plan completed in 2022

Northern Relief Route connection –
 Authorized to proceed with
 environmental clearance, schematic
 development and ROW determination.
 Work is underway, with the first public
 meeting scheduled for October 2025.

 Expansion of US 277 to freeway standards – ROW acquisition underway, PS&E development at 60%. Scheduled for FY 2027 letting, estimated at \$51 million.

 US 87 southern segment – Partially funded in 2024 UTP. SJT, in conjunction with SAMPO, worked with TPP in the development of the 2025 UTP to reassign Cat. 12 funds allocated here to northern relief route segment while seeking SWDA to proceed with schematic development, environmental clearance and ROW determination here.

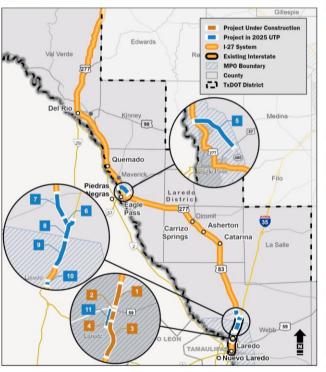

Sonora Safety Route

- SJT has worked with Sutton County and Sonora to develop a relief route for US 277.
- Dubbed the "Sonora Safety Route" by County Judge Steve Smith, SJT conducted a feasibility study for a Ports-to-Plains and future Interstate corridor with the County's support, culminating in the preferred alternative shown here. This study was completed and delivered in FY 2021.
- SJT has listed this as a candidate project for SWDA consideration in the FY 2025 UTP cycle. This authority would allow us to proceed with schematic development, ROW determination and environmental clearance.

REVISED: 09/17/24

Metropolitan Planning Organization (MPO) Update

Juan Mendive, MPO Director, Laredo and Webb County

Major Hofheins, MPO Director, San Angelo

Placido Madera, MPO Director, Eagle Pass

Laredo and Webb County Area Metropolitan Planning Organization

Juan S. Mendive, AICP
MPO Director

I-27 Advisory Committee Meeting

Agenda

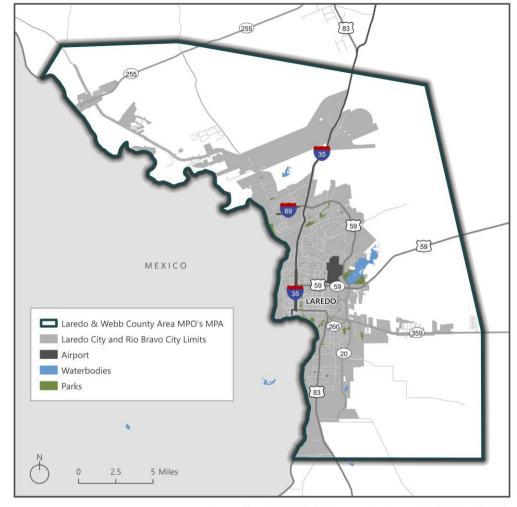

- Background on MPO
- Population Growth
- Freight Network
- Border Crossings
- Safety, Security, and Resiliency
- Select MPO and TxDOT Projects

Metropolitan Planning Area (MPA)

- City of Laredo
- City of Rio Bravo
- Portions of Webb County (about 12 %)

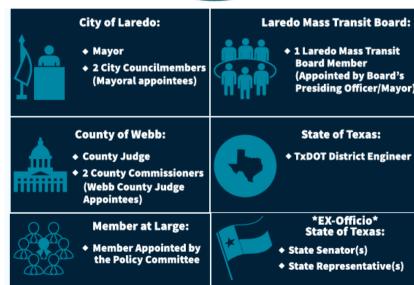

Laredo & Webb County Area MPO's MPA

Governance Structure

- The Laredo & Webb County Area MPO (LWCAMPO) is governed by the Policy Committee
- The LWCAMPO Bylaws were amended in 2023 allowing the Chairperson and Vice-Chairperson to rotate every two years between the City of Laredo Mayor and Webb County Judge.
- Currently the Chairperson of the LWCAMPO Policy Committee is Webb County Judge Tano E. Tijerina through the end of 2024.
- The City of Laredo Mayor Dr. Victor D. Treviño currently serves as the Vice Chairperson.

Metropolitan Transportation Plan (MTP)

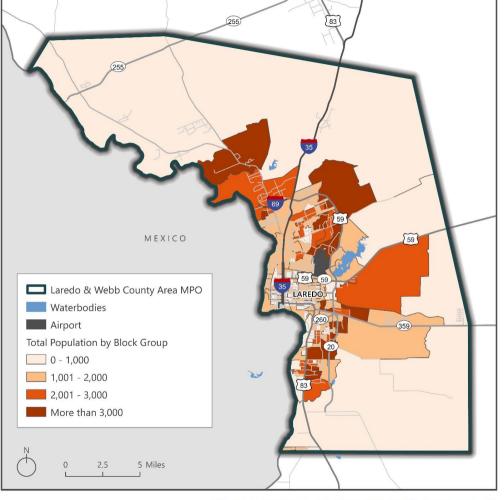

- Planning Horizon: 25 years
- <u>Updated</u>: Every 5 years
- <u>Purpose</u>: The MTP establishes the long-term transportation policy agenda for the region. The MTP outlines regional transportation priorities and identifies transportation projects to meet regional transportation goals over the plan's horizon, while remaining fiscally constrained.

Existing Population

GEOGRAPHY	2010 CENSUS	2020 CENSUS	2022 ACS 5-YEAR ESTIMATE
City of Laredo	236,091	255,205	255,293
LWCAMPO MPA	246,279	264,047	264,487
Webb County	250,304	267,114	267,282
Texas	25,145,561	29,145,505	29,243,342
United States	308,745,538	331,449,281	331,097,593

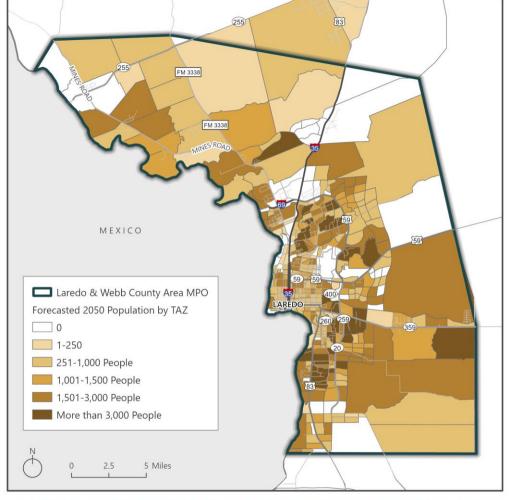

TOTAL POPULATION BY BLOCK GROUP

Population Forecast – Year 2050

- The MPO utilizes a Travel Demand Model (TDM) to forecast regional growth.
- Population was forecasted from base year 2018 to forecast year 2050 by Traffic Analysis Zones (TAZ).
- The total population is forecasted to 489,977 by 2050.

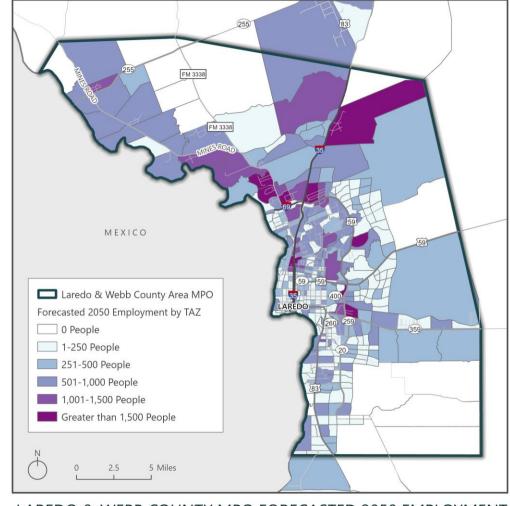

LAREDO & WEBB COUNTY MPO FORECASTED 2050 POPULATION

Employment Forecast – Year 2050

- The TDM is also utilized to forecast employment growth.
- Employment was forecasted from base year 2018 to forecast year 2050 by Traffic Analysis Zones (TAZ).
- The total employment is forecasted to **187,780** jobs by 2050.

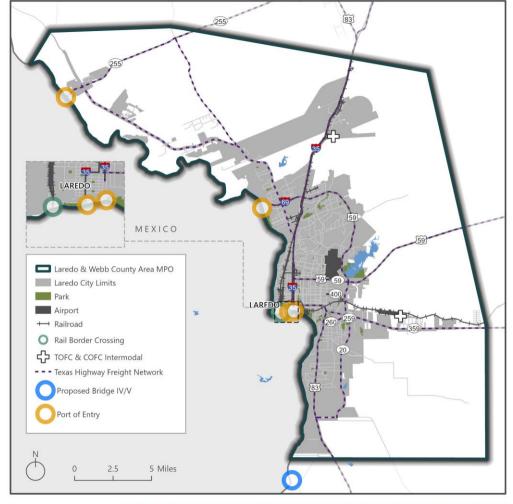

LAREDO & WEBB COUNTY MPO FORECASTED 2050 EMPLOYMENT

Freight Network

Laredo became the nation's **top port** in 2023 with \$320 **billion** in total U.S. trade.

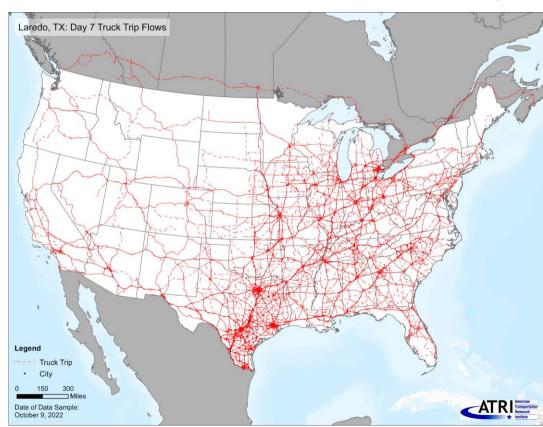

LAREDO & WEBB COUNTY MPO FREIGHT NETWORK

Laredo Truck Trip Flows

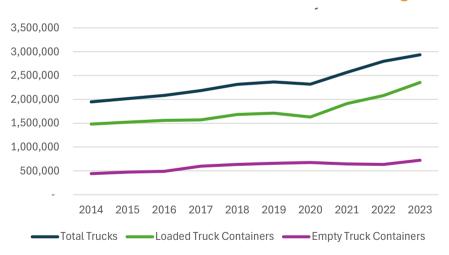

- This map from the American Transportation Research Institute shows Day 7 Truck Trip Flows.
- GPS/transponder data from trucks crossing Laredo border.

Truck Traffic

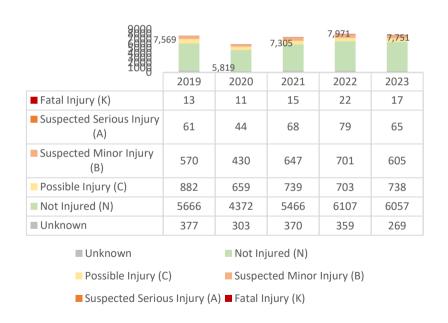

- Truck traffic contributes significantly to the AADT for designated truck routes within the MPA.
- A large amount of the AADT of I-35 and I-69 is linked to truck traffic, reaching a maximum of 20,565.
- These roadways provide access to The World Trade International Bridge, a port of entry exclusively for commercial traffic.

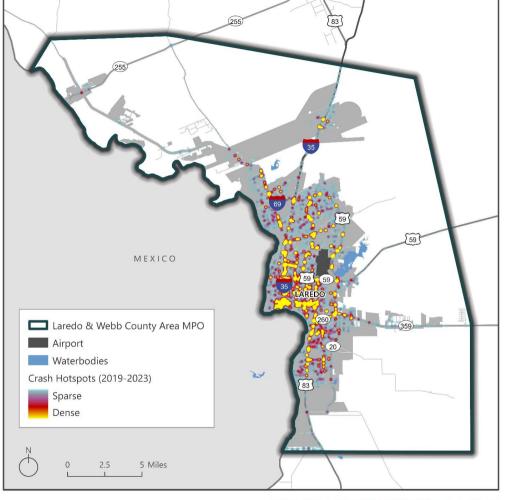

LAREDO & WEBB COUNTY MPO FREIGHT NETWORK

Safety and Security

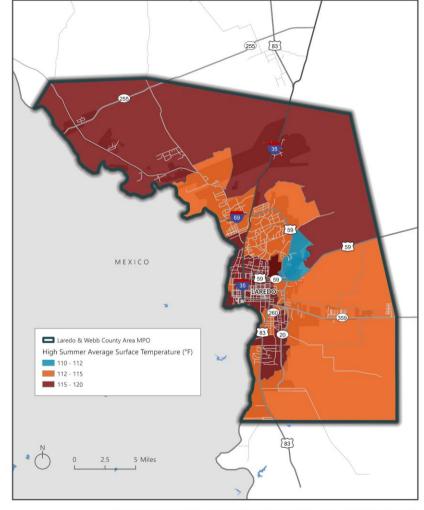

CRASH HOTSPOTS (2019-2023)

Resiliency

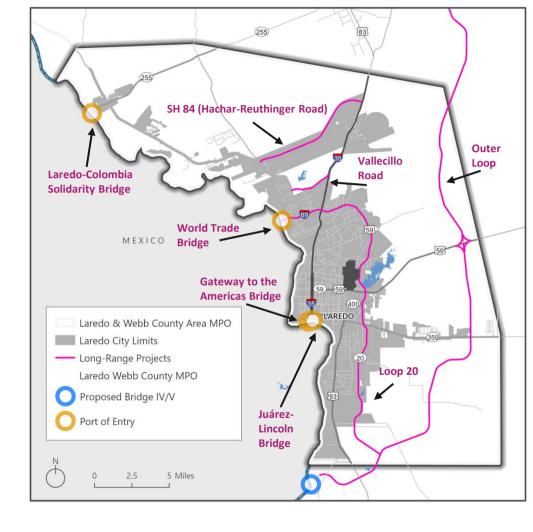

- Planning Goal: Improve the resiliency and reliability of the transportation system and reduce or mitigate stormwater impacts of surface transportation.
- As part of the MTP development, analyzing transportation system vulnerabilities to a variety of extreme weather events, including high surface temperature events.

Select MPO and TxDOT Projects

- SH 84 and Vallecillo Road will connect FM 1472 and I-35 which will improve connectivity and mobility between the World Trade Bridge and I-35 (future I-27 Corridor)
- LWCAMPO's FY 2025-2028
 Transportation Improvement Program (TIP) funding for highway (non-transit) projects is \$597,004,758. The projects in the TIP were selected with the goal of improving safety, enhancing mobility, and relieving congestion.

VISION STATEMENT

Create an innovative multimodal transportation system that safely and efficiently moves people and freight and supports future growth.

Safety

Plan, build, and maintain a safe and secure transportation system for all users.

Connectivity

Improve multimodal and intermodal connectivity at the local, regional, statewide, national, and international level.

Preservation

Maintain and preserve transportation infrastructure and resources to achieve a state of good repair and mitigate asset deterioration.

Economic Vitality

Develop transportation systems that support the movement of people and goods to enhance quality of life and promote personal and statewide economic growth.

Mobility

Address congestion by improving efficiency, resilience, and reliability.

Stewardship

Continue the responsible and efficient use of federal, state, and local fiscal and natural resources.

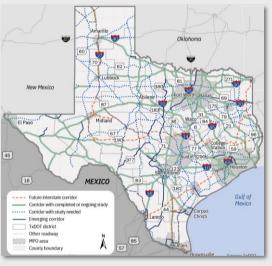

Strategy Themes

- Strengthen **safety and resilience** of the state transportation system
- Expand the use of transportation technology and innovation to enhance system performance
- Promote freight infrastructure and intermodal connectivity for a prosperous future
- Optimize investment in the multimodal transportation system to accommodate future growth
- Enhance cross-border connectivity and operations
- Support workforce connections to jobs and develop and retain a skilled transportation workforce to meet the future needs
- Adapt the long-term planning process to better address evolving transportation challenges and leverage opportunities
- Enhance public and stakeholder collaboration and engagement to achieve the state's transportation vision and goals

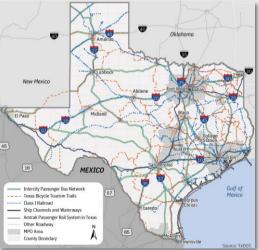

Leverage Corridors of Statewide Significance

- Connect different regions and facilitate the movement of people and goods across Texas
- Reviewed and defined with input from each District
 - Future interstate corridors
 - Completed or on-going studies
 - Corridors with a study need
 - Emerging corridors

Roadway Corridors

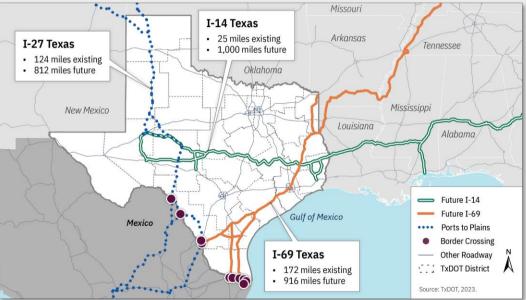

Multimodal Corridors

Future Interstates

Estimated I-27 Investment

Assumes high-level planning cost estimates (2023) to upgrade the I-27 corridor to interstate standards. Consistent with the SLRTP statewide planning construction cost estimates.

Improvement	Mileage	Planning Cost per Mile (low-high)	Total Cost (low-high)
Existing two-lane or super two to four- lane freeway (interstate standards)	500.2	\$51M to \$61M	\$25.5B to \$30.5B
Existing four-lane divided to four-lane freeway (interstate standards)	302.5	\$67M to \$81M	\$20.3B to \$24.5B
Total			\$45.8B to \$55.0B

Overview of Short-term Planning Activities

- Develop district-level or regional transportation plans
- On-going stakeholder engagement
- Continue to optimize performancebased planning
- Expand scenario planning to enhance future planning
- Leverage Corridors of Statewide Significance

Questions

Closing Remarks

Honorable Brenda Gunter, Mayor, City of San Angelo, I-27 Advisory Committee Chair

Lorena Echeverria de Misi, P.E., Corridor Planning Branch Manager, Transportation Planning and Programming Division, TxDOT
