A site plan diagram illustrating land parcels and dimensions. The top row consists of six rectangular parcels, each 50' wide. The widths of the parcels from left to right are: 50', 12', 2', 11', 3', 11', 4', 11', 5'. The total width of the top row is 200'. The bottom row consists of seven rectangular parcels, each 50' wide. The widths of the parcels from left to right are: 50', 130', 130', 130', 130', 50', 130'. The total width of the bottom row is 200'. A circular feature is located in the center of the top row's first parcel. A small 'X' mark is located in the center of the bottom row's third parcel.

A site plan diagram showing a rectangular property divided into several sections. The top section is 50' wide by 20' deep, containing plots 1 through 5. Below it is a 30' wide by 20' deep section containing plot 14. To the right is a 50' wide by 20' deep section containing plots 6 through 10. The bottom section is 50' wide by 30' deep, containing plots 11 through 15. A diagonal line with a slope of 10% connects plot 14 to plot 10.

The image shows a rectangular frame divided into four quadrants by a horizontal and vertical line. The top-left quadrant contains the number '50'. The top-right quadrant contains the number '12'. The bottom-left quadrant contains the number '50'. The bottom-right quadrant contains the number '12'. There are also some small numbers and symbols near the top edge.

This hand-drawn site plan illustrates the layout of a property with various buildings, roads, and setbacks. The property is bounded by streets labeled 'W' (West), 'E' (East), 'S' (South), and 'N' (North). A major road running through the property is labeled 'PROGRESS'. The plan includes several buildings and structures:

- Building 205:** Asphalt Parking Lot with an Office and Sheet Metal Garage (Auto Repair).
- Building 206:** Located adjacent to Building 205.
- Building 207:** Located further east, featuring a front storage area and a stucco wall.
- Building 210:** Located on the southern side of the property.
- Building 213:** Located on the southern side of the property.
- Building 214:** Located on the southern side of the property.
- Building 215:** Located on the southern side of the property.
- Fr. Storage:** Located near Building 207.
- Fr. Res. Duplex:** Located on the southern side of the property.
- Fr. Res.:** Several residential units located on the southern side of the property.
- Fr. Res.:** Residential units located on the southern side of the property.
- Fr. Res.:** Residential units located on the southern side of the property.

The plan also shows various setbacks, including 50', 32', 26', and 85' widths, and includes labels for 'Sign' and 'Fr.' (Frontage). A note on the left indicates '84 Aerial wires T'.

This hand-drawn map illustrates a property layout with several buildings and structures, each labeled with a number and a brief description. The map includes a grid system with horizontal and vertical lines, and directional markers (N, S, E, W) indicating orientation.

- Top Left:** A dashed line labeled "6 ft" and "T" extends from the top left towards the center. To its left, there is a sketch of a house and a "25' x 25'" area.
- Top Center:** A large rectangular building is labeled "Sheet Mtl. Cover". Inside, a smaller box is labeled "Frame" and "Stucco Office". An arrow points from the "Stucco Office" area to a circled number "229".
- Middle Left:** A sketch of a garage is labeled "Sh. Met." and "(Auto Repair)".
- Middle Center:** A large rectangular building is labeled "Sheet Metal". Above it, a sketch of a warehouse is labeled "Warehouse".
- Bottom Center:** A sketch of a residence is labeled "Fr. & Asph. Shingle" and "4-Unit Apt". An arrow points from this area to a circled number "231".
- Bottom Right:** A sketch of a residence is labeled "Stucco Res".
- Right Side:** A sketch of a residence is labeled "Stucco Res".
- Bottom Left:** A sketch of a residence is labeled "Stucco Frame 2-story byern".
- Labels:** The map features several large, bold letters on the left side: "O", "S", "R", "W", "B", "L", "U", and "C". At the top right, the letters "FA" and "T" are present. In the bottom right corner, there is a circled number "233".

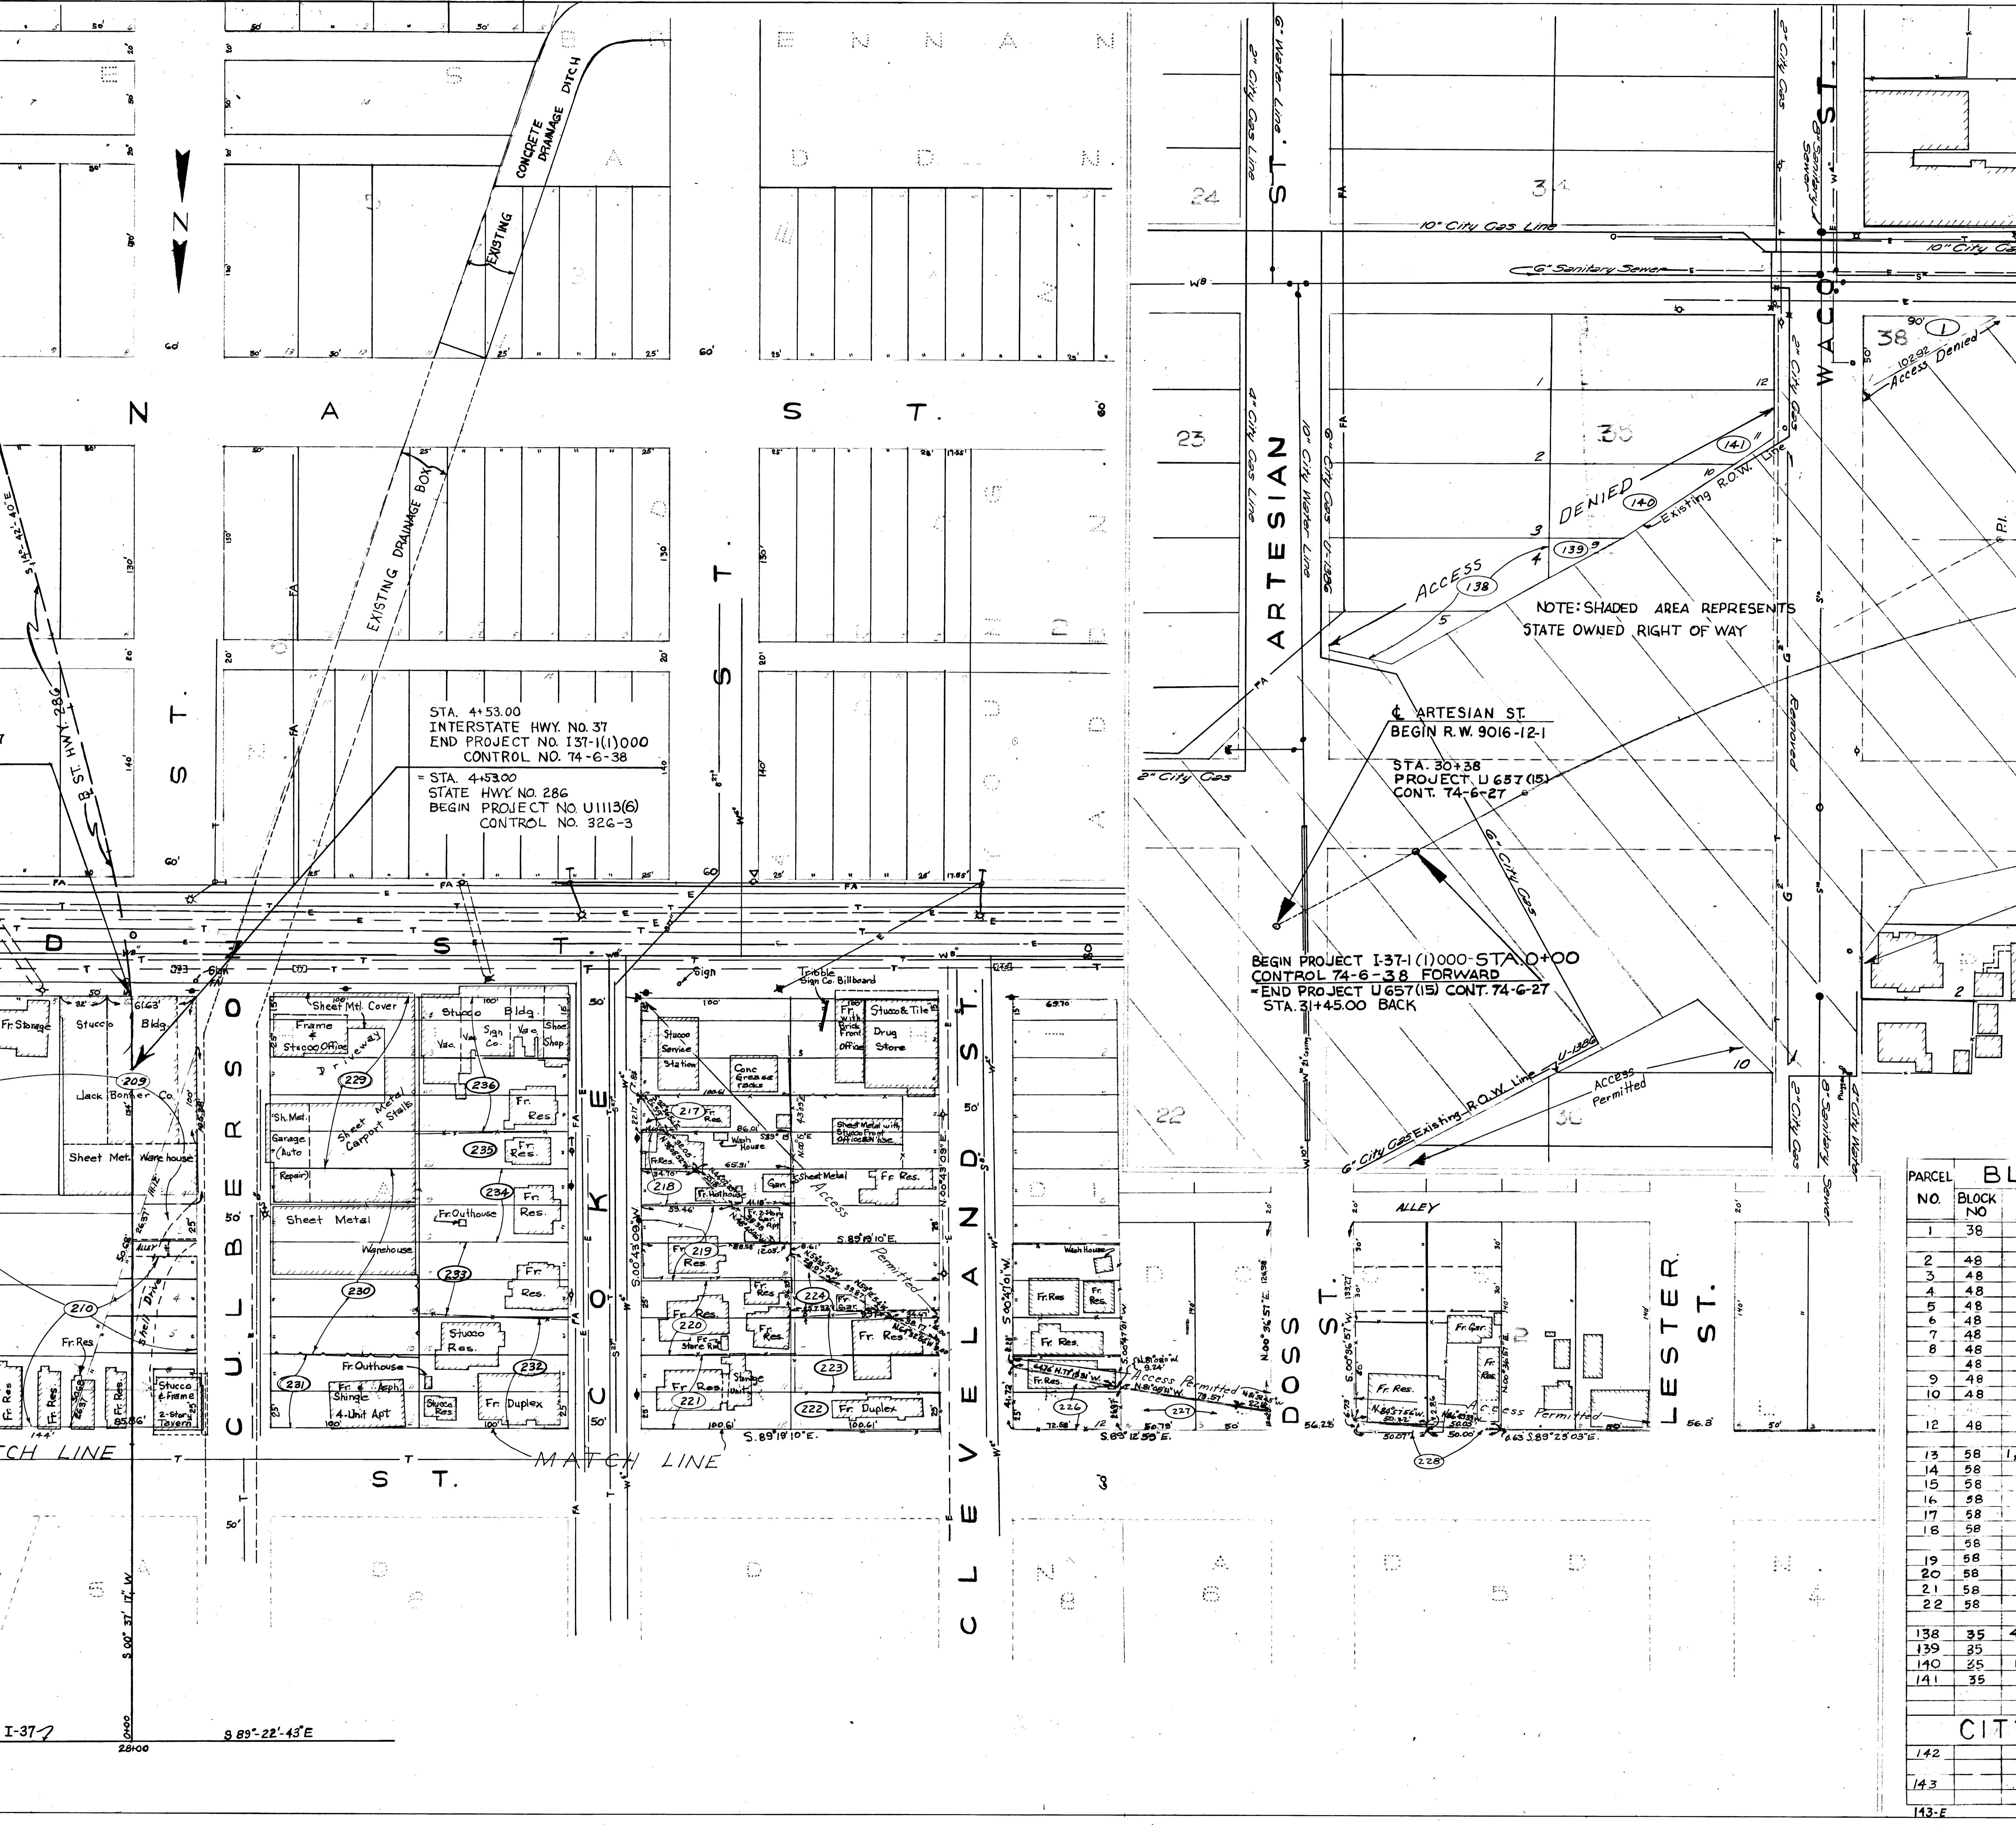

Figure 10. The effect of the number of hidden neurons on the performance of the proposed model. The number of hidden neurons is varied from 1 to 10. The error bars represent the standard deviation of the error.
