

# PEPS Fireside Chat

## PS-CAMS Updates – May 2025

This session will cover some updates to our PS-CAMS contracting database, including a discussion projected vs. actual, and navigating through construction engineering inspection tracking changes.

Attendees may not use any form of audio or video recording, photography, automated transcription services, or AI-based analysis tools during this meeting.

Friday, May 2, 2025

10:00am – 11:00am Central
