<b>Ref #</b>	<b>Provider Question</b>	<b>TxDOT Answer</b>
1.	Is there a sign-in sheet? How do I sign-in online?	A hard copy sign-in sheet was available for in-person attendees. For individuals that attended the Microsoft Teams meeting, attendance is recorded at log-in.
2.	What is the difference between the procurements for planning contracts in FY 24 Wave1 and FY 25 Wave 1?	In comparison with FY24 Wave 1 Planning procurement, FY 25 Wave 1 procurement will be focused on traffic projections and a small portion of other typical planning studies.
3.	Do you anticipate any non-listed work categories?	No.
4.	Is there a need for aerial imagery or lidar data for this project?	Required work categories will be included in the Request for Proposals.
5.	How important is the DynusT model and mesoscopic model?	Refer to the scope of services posted with the Request for Proposals.
6.	Does Houston District have a district Standard Operating Procedure (SOP) for Traffic Projection? Can firms who have not worked on traffic projections have access to this document?	A SOP for traffic projection is not available at this time.
7.	Did you all list the names of the selection committee in the PowerPoint presentation?	Yes.
8.	Do you want teams to demonstrate that they have the capability/capacity to perform other types of work besides traffic projections, since this is focused on traffic projections?	Information regarding proposal content will be provided in the Request for Proposals.
