10:00 A.M. CONVENE MEETING

1. **Safety Briefing**

Staff will provide general safety instruction.

2. **Opening Comments from Commissioners and Executive Director**

- a. Commissioner Steven D. Alvis - 2024 Transportation Short Course and North Houston Highway Improvement Project (NHHIP) Groundbreaking Event
- b. Commissioner Alex Meade
- c. Commissioner Robert C. Vaughn - 2024 Transportation Short Course
- d. Commissioner Alvin New
- e. Chairman J. Bruce Bugg, Jr. - NHHIP and I-35 CapEx Groundbreaking
- f. Executive Director Marc Williams - TxDOT Updates

3. **Consider the approval of the Minutes** of the September 26, 2024, regular meeting of the Texas Transportation Commission

Italicized text in document is provided for informational purposes only and is not part of the official posted agenda.

4. **Contracts**

Consider the award or rejection of contracts for highway construction and maintenance, and construction and rehabilitation of buildings ([Presentation](#))

These proposed minute orders contain information concerning the receipt of bids for highway improvement contracts. The Texas Department of Transportation may reschedule receipt of bids for those projects where the Texas Transportation Commission (commission) rejects all bids. Those bids accepted by the commission will result in conditional contract awards to the low bidders. Contract award conditions may involve securing funding from other sources, the contractor's ability to satisfy federal DBE subcontracting requirements, or other requirements as outlined in the project bid proposal.

- 116811 a. **Highway Improvements and Other Transportation Facilities** ([MO](#))
(see attached itemized list)
- 116812 b. **Routine Maintenance** ([MO](#))
(see attached itemized list)

5. **Aviation**

- 116813 **Various Counties** - Consider the award of federal non-primary entitlement grant funding, federal apportionment grant funding, Infrastructure and Investment Jobs Act grant funding, and state grant funding for airport improvement projects at various locations ([MO](#))

Federal law authorizes the award of federal non-primary entitlement grant funding, federal apportionment grant funding, and Infrastructure and Investment Jobs Act grant funding to preserve and improve the state's general aviation system. State law authorizes the award of state grant funding for capital improvement projects.

6. **State Infrastructure Bank**

- 116814 **Various Counties** - Consider approval of applications for State Infrastructure Bank loans from various applicants ([Presentation](#)) ([MO](#))

This minute order will authorize the executive director or their designee to enter into a financial assistance agreement with each applicant pursuant to the terms of this minute order and 43 Texas Administrative Code Chapter 6.

7. **Promulgation of Administrative Rules** Under Title 43, Texas Administrative Code, and the Administrative Procedures Act, Government Code, Chapter 2001:
Rules Proposal

- 116815 a. **Chapter 7 - Rail Facilities**
Amendments to §7.35, Hazardous Materials-Written Reports, and §7.36 Clearances of Structures Over and Alongside Railway Tracks ([MO](#))
These amendments will create consistency with modern railroad industry best practices for reporting hazardous material shipping and improve the efficiency of compliance with safety regulations. The amendments support emergency preparedness and reduce administrative burdens for state agencies and railroads.

7. **Promulgation of Administrative Rules** Under Title 43, Texas Administrative Code, and the Administrative Procedures Act, Government Code, Chapter 2001:
Rules Proposal (continued)
- 116816 b. **Chapter 11 – Design**
Amendments to §§11.51, 11.54, and 11.55, the repeal of §11.53, and new §§11.59 and 11.60 relating to regulation of new access connections across an access denial line ([MO](#))
This rulemaking provides the authority for district engineers to approve a driveway permit in an area where the Texas Department of Transportation (department) owns the access rights but only if the driveway can be safely installed and maintained. The grant of this authority provides an alternative to the current process under which a property owner must purchase access rights from the department in such a circumstance.
- 116817 c. **Chapter 28 - Oversize and Overweight Vehicles and Loads**
Amendments to §28.2 and new §28.4 concerning Oversize and Overweight Vehicles and Loads ([MO](#))
This rulemaking adds a new rule that clarifies the size limitations applicable to permits issued for the movement of oversize vehicles on state highways on New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, or Christmas Day. The limitations in the new rule were formerly in the rules of the Department of Motor Vehicles.
- 116818 8. **Contested Case**
Travis County - Thomas 11 Development v. Texas Department of Transportation - Consider action on proposal for decision by administrative law judge concerning the Texas Department of Transportation's decision to debar Thomas 11 Development for a period of 24 months, final order for ethical violations ([MO](#))
The executive director issued an order on August 28, 2023, sanctioning Thomas 11 Development (Thomas 11) with a 24-month debarment and immediate suspension, disqualifying them from entering into contracts, participating as a subcontractor, or participating as a supplier of materials. Thomas 11 appealed the decision and on August 9, 2024, the State Office of Administrative Hearings issued a proposal for decision upholding the 24-month debarment.
- 116819 9. **Harris County Toll Road Authority**
Consider authorizing the Texas Department of Transportation to enter into a tolling services agreement with Harris County, acting by and through the Harris County Toll Road Authority ([Presentation](#)) ([MO](#))
Pursuant to Transportation Code §228.007, the Texas Department of Transportation (department) is authorized to enter into an agreement with a county acting under Transportation Code Chapter 284 to design, construct, operate, or maintain a toll lane on a state highway. This minute order authorizes the department to enter into a tolling services agreement with Harris County, acting by and through the Harris County Toll Road Authority, for the performance of toll collection, customer service, interoperability and related services.

10. **Eminent Domain Proceedings**
- 116820 **Various Counties** - Consider the authorization of the filing of condemnation proceedings to acquire real property by eminent domain for non-controlled and controlled access highways (see attached itemized list) ([MO](#))
Texas Transportation Commission findings, determinations, and authorizations for the state, by motion made in accordance with Senate Bill 18 (82nd Legislature), to acquire by eminent domain, upon the payment of adequate and just compensation, various ownership interests in specific parcels of real property that are needed to develop or improve both non-controlled and controlled access state highways, to include requesting the state attorney general to bring and pursue condemnation suits relating to those specific parcels of real property described in the attached itemized list.
11. **Routine Minute Orders and Reports**
- a. **Donations to the Department**
- 116821 **Various Districts** - Consider the acknowledgment of donations with a value of \$500 or more, including donations of money, materials, services, or real property, that are made to the department for the purpose of assisting the department in carrying out its functions and duties or for improving access to or from a highway on the state highway system (see attached itemized list) ([MO](#))
State statutes require the Texas Transportation Commission (commission) to acknowledge the acceptance of a gift to the Texas Department of Transportation that is valued at \$500 or more. By the adoption of this minute order, the commission acknowledges the receipt and acceptance of the property specified in the minute order.
- b. **Real Estate Dispositions**
The Texas Transportation Commission must approve the sales, transfers, and exchanges of state rights of way and other real properties that are no longer needed for a state highway purpose. It must also approve, accept, and acknowledge donations to the state of real property that is valued at \$500 or more.
- 116822 (1) **Atascosa County** - SH 85 - Consider the sale of right of way to an abutting landowner ([MO](#))
The district has determined that the land is no longer needed for highway purposes. An abutting landowner has requested to purchase the land, and it may be sold to the requester.
- 116823 (2) **Burnet County** - US 281 - Consider the release of a temporary detour easement to the underlying fee owner ([MO](#))
The district has determined that the easement is no longer needed for highway purposes. The easement may be released to the underlying fee owner.

11. **Routine Minute Orders and Reports**

c. **Reports**

(1) **Compliance Division Report**

State law requires the Texas Transportation Commission (commission) to establish a compliance program, which must include a Compliance Division to oversee the program. The Compliance Division is responsible for acting to prevent and detect serious breaches of department policy, fraud, waste, and abuse of office, including any acts of criminal conduct within the Texas Department of Transportation. The Compliance Division is required to provide a monthly report to the commission regarding investigations and a summary of information relating to trends and recommendations.

(2) **Letting Allocation Report**

Quarterly report on the Fiscal Year 2024-25 letting allocation, the actual allocation utilized through the quarter, and proposed remaining highway maintenance and construction contract letting for the fiscal year ([Report](#))

This report will provide the current overall allocation status, by district and metropolitan planning organization, of the Fiscal Year 2024-25 letting allocation and will also provide the anticipated effect on the letting allocation of remaining proposed highway maintenance and construction letting.

(3) **Quarterly Cash Report**

Quarterly report on Fiscal Year 2024 State Highway Fund 6 cash activity ([Report](#))

This report updates the Texas Transportation Commission on the year-to-date cash balance and activity of Fund 6. The report will include original projections and actual revenues/inflows and expenditures/outflows on a cash basis.

(4) **CTTS Annual Toll Rate Escalation Report**

Travis and Williamson Counties - Report of the toll rate escalation percentage and escalated toll rates for the Central Texas Turnpike System, consisting of the SH 130 (Segments 1-4), SH 45N, Loop 1 (from FM 734 to SH 45N), and SH 45SE project elements ([Report](#))

This report provides the toll rate escalation percentage increase and the annual escalated toll rates for the Central Texas Turnpike System. The Texas Transportation Commission's (commission) Toll Rate Escalation Policy requires that a percentage increase in the toll rates will be determined and reported to the commission each year at or before the commission's October meeting, and that the percentage increase in the toll rates shall be effective automatically on January 1 of the next calendar year unless the commission modifies the percentage prior to January 1.

11. **Routine Minute Orders and Reports**

c. **Reports (continued)**

(5) **Grand Parkway (SH 99) Annual Toll Rate Escalation Report**

Various Counties - Report of the toll rate escalation percentage and escalated toll rates for portions of SH 99 (Grand Parkway) consisting of the tolled portion of Segment D in Harris County, Segments E, F-1, F-2, G, H, I-1, and I-2 ([Report](#))

This report provides the toll rate escalation percentage increase and the annual escalated toll rates for the tolled portion of Grand Parkway Segment D in Harris County and for Segments E, F-1, F-2, G, H, I-1, and I-2. The Texas Transportation Commission's (commission) Toll Rate Escalation Policy requires that a percentage increase in the toll rates will be determined and reported to the commission each year at or before the commission's October meeting, and that the percentage increase in the toll rates shall be effective automatically on January 1 of the next calendar year unless the commission modifies the percentage prior to January 1.

(6) **SH 249 Annual Toll Rate Escalation Report**

Grimes and Montgomery Counties - Report of the toll rate escalation percentage and escalated toll rates for the SH 249 System, comprised of Segment 1 of the SH 249 Project extending SH 249 from FM 1774 in Pinehurst to FM 1774 in Todd Mission ([Report](#))

This report provides the toll rate escalation percentage increase and the annual escalated toll rates for the SH 249 System in Grimes and Montgomery counties. The Texas Transportation Commission's (commission) Toll Rate Escalation Policy requires that a percentage increase in the toll rates will be determined and reported to the commission each year at or before the commission's October meeting, and that the percentage increase in the toll rates shall be effective automatically on January 1 of the next calendar year unless the commission modifies the percentage prior to January 1.

d. **Transportation Planning**

(1) **SH 121 - Various Counties** - Consider concurrence with the

Regional Transportation Council of the North Central Texas Council of Governments' funding of construction and other project development costs of projects to be advanced through the use of payments received from the North Texas Tollway Authority in accordance with the SH 121 Toll Project Agreement ([MO](#))

The Texas Department of Transportation has established a separate fund to account for and track projects and project costs funded with the SH 121 payments. This minute order authorizes the funding of additional project costs and changes to the list of previously approved projects. The project costs to be funded were selected through a cooperative process with the Regional Transportation Council.

116824

11. **Routine Minute Orders and Reports**

d. **Transportation Planning (continued)**

116825

- (2) **SH 161 - Various Counties** - Consider concurrence with the Regional Transportation Council of the North Central Texas Council of Governments' funding of construction and other project development costs of projects to be advanced through the use of payments received from the North Texas Tollway Authority in accordance with the SH 161 Toll Project Agreement ([MO](#))

The Texas Department of Transportation has established a separate fund to account for and track projects and project costs funded with the SH 161 payments. This minute order authorizes the funding of additional project costs and changes to the list of previously approved projects. The project costs to be funded were selected through a cooperative process with the Regional Transportation Council.

e. **Highway Designations**

116826

- (1) **Madison County** - In Madison County, consider designating US 190/SH 21 on a new location on the state highway system and redesignating the existing location of US 190/SH21 as BS 21-K ([MO](#))
This minute order (1) designates US 190/SH 21 on a new location on the state highway system from 1.2 miles west of FM 39 to 1.6 miles east of FM 39, a distance of approximately 2.7 miles; and (2) redesignates the existing location of US190/SH 21 as BS 21-K from 1.2 miles west of FM 39 to 1.6 miles east of FM 39, a distance of approximately 2.8 miles.

116827

- (2) **Williamson County** - In the city of Cedar Park, consider (1) redesignating a segment of US 183 as BU 183-Q; (2) designating US 183 concurrently with RM 1431; and (3) designating new frontage roads alongside 183 A Toll as US 183 in Williamson County ([MO](#))

This minute order (1) redesignates a segment of US 183 as BU 183-Q along an existing location on the state highway system from the intersection of RM 1431 southward to the intersection of Avery Ranch Boulevard, a distance of approximately 3.0 miles; (2) designates US 183 concurrently with RM 1431 from existing US 183 eastward to 183 A Toll, a distance of approximately 1.0 miles; and (3) designates new frontage roads alongside 183 A Toll as US 183 from the intersection of RM 1431 southward to Avery Ranch Boulevard, a distance of approximately 3.0 miles, in Williamson County.

f. **Toll Rates**

116828

- Various Counties** - Consider establishing non-tag toll rates for SH 99 (Grand Parkway) Segment D located in Harris County and Segments E, F-1, F-2, G, H, I-1, and I-2 located in Harris, Montgomery, Liberty and Chambers counties ([MO](#))
This minute order adopts non-tag toll rates for the portions of the Grand Parkway Toll Project constituting the Grand Parkway Transportation Corporation's Grand Parkway System, contingent upon all necessary notices, consents, certifications, amendments or waivers.

116829

11. **Routine Minute Orders and Reports**

g. **Speed Zones**

Various Counties - Consider the establishment or alteration of regulatory and construction speed zones on various sections of highways in the state ([MO](#))
This minute order establishes or alters regulatory and construction speed zones on various sections of highways in the state.

12. **Executive Session** Pursuant to Government Code, Chapter 551

Section 551.071 - Consultation with and advice from legal counsel regarding any item on this agenda, pending or contemplated litigation, or other legal matters.

OPEN COMMENT PERIOD - At the conclusion of all other agenda items, the commission will allow an open comment period, not to exceed one hour, to receive public comment on any other matter that is under the jurisdiction of the department. No action will be taken. Each speaker will be allowed a maximum of three minutes. Speakers must be signed up prior to the beginning of the open comment period.
