MINUTE ORDER

PARIS District

In the city of Paris, Lamar County, on FM 1507, the state of Texas acquired an easement interest in certain land by an instrument recorded in Volume 316, at page 288, of the Deed Records of Lamar County, Texas.

All of the easement, which encumbers the real property described as Tract 1 in exhibit A (tract), is no longer needed for a state highway purpose.

In accordance with V.T.C.A., Transportation Code, Chapter 202, Subchapter B, the Texas Transportation Commission (commission) may release an easement interest no longer needed for a state highway purpose to the owner of the fee in the property.

Lone Star Planned Developments, LLC, a Texas limited liability company, is the owner of the fee interest in the property and has requested to purchase the easement interest for \$5,489.00.

The commission finds \$5,489.00 to be a fair and reasonable value of the state's right, title, and interest in the easement interest.

IT IS THEREFORE ORDERED by the commission that the easement interest encumbering the tract, described as Tract 1 in exhibit A, is no longer needed for a state highway purpose. The commission authorizes the executive director of the Texas Department of Transportation to execute a proper instrument conveying all of the state's right, title, and interest in the easement interest to Lone Star Planned Developments, LLC, a Texas limited liability company, for \$5,489.00.
