10:00 A.M. CONVENE MEETING

1. **Safety Briefing**
Staff will provide general safety instruction.
2. **Opening Comments from Commissioners and Executive Director**
 - a. Commissioner Steven D. Alvis - Trees for Houston
 - b. Commissioner Alex Meade
 - c. Commissioner Robert C. Vaughn
 - d. Acting Chair W. Alvin New - End the Streak
 - e. Executive Director Marc Williams - TxDOT Updates
3. **Consider the approval of the Minutes** of the October 30, 2025, regular meeting of the Texas Transportation Commission

4. **Contracts**

Consider the award or rejection of contracts for highway construction and maintenance, and construction and rehabilitation of buildings (Presentation)

These proposed minute orders contain information concerning the receipt of bids for highway improvement contracts. The Texas Department of Transportation may reschedule receipt of bids for those projects where the Texas Transportation Commission (commission) rejects all bids. Those bids accepted by the commission will result in conditional contract awards to the low bidders. Contract award conditions may involve securing funding from other sources, the contractor's ability to satisfy statutory requirements, or other requirements as outlined in the project bid proposal.

a. **Highway Improvements and Other Transportation Facilities (MO)**

(see attached itemized list)

b. **Routine Maintenance (MO)**

(see attached itemized list)

5. **Public Transportation**

Various Counties - Consider the award of federal funding to local entities for projects submitted in the Texas Department of Transportation's 2025 Transportation Alternatives Set-Aside call for projects (Presentation) (MO)

The awards identified in this minute order reflect the allocation of federal Transportation Alternatives Set-Aside funds for selected infrastructure projects throughout the state to construct a variety of alternative transportation projects, including Americans with Disabilities Act/pedestrian infrastructure, on- and off-street bikeways, shared use paths, and active transportation planning documents.

6. **Aviation**

Various Counties - Consider the award of federal non-primary entitlement grant funding, federal apportionment grant funding, Infrastructure Investment and Jobs Act grant funding, and state grant funding for airport improvement projects at various locations (MO)

Federal law authorizes the award of federal non-primary entitlement grant funding, federal apportionment grant funding, and Infrastructure Investment and Jobs Act grant funding to preserve and improve the state's general aviation system. State law authorizes the award of state grant funding for capital improvement projects.

7. **Financial Assistance for Seaport Connectivity Program Projects**

Brazoria County - Consider approval of a request from Port Freeport to adjust the location of a Seaport Connectivity Program project, in order to construct a public parking facility approved by the commission on August 21, 2025 by Minute Order 117005 (MO)

This minute order will authorize adjusting the previously approved Public Parking Expansion Area project at Port Freeport from E Eighth Street to E Second Street. Rider 36 in the General Appropriations Act, 89th Legislature, Regular Session, 2025, authorizes the Texas Department of Transportation to provide funding in an amount not to exceed \$40,000,000 in the 2026-2027 biennium from any available source of revenue and/or balances in the Texas Mobility Fund No. 365 for public roadway projects selected by the Port Authority Advisory Committee and approved by the Texas Transportation Commission to improve connectivity to Texas ports.

Italicized text in document is provided for informational purposes only and is not part of the official posted agenda.

8. **Promulgation of Administrative Rules** Under Title 43, Texas Administrative Code, and the Administrative Procedures Act, Government Code, Chapter 2001:
Rule Adoption
- a. **Chapter 1 - Management**
Adopts amendments to §1.84 and §1.88 concerning Advisory Committees (MO)
These amendments extend the sunset dates for statutory and Texas Department of Transportation advisory committees and repeals provisions relating to the Advanced Air Mobility Advisory Committee, which was established and abolished by Senate Bill 2144, 88th Legislature, Regular Session, 2023.
- b. **Chapter 25 - Traffic Operations**
Adopts amendments to §25.1, Uniform Traffic Control Devices (MO)
This amendment revises the Texas Manual on Uniform Traffic Control Devices adopted by reference in §25.1 to address changes in the recently updated national Manual on Uniform Traffic Control Devices, as required by state and federal law.
9. **Eminent Domain Proceedings**
Various Counties - Consider the authorization of the filing of condemnation proceedings to acquire real property by eminent domain for non-controlled and controlled access highways (see attached itemized list) (MO)
Texas Transportation Commission findings, determinations, and authorizations for the state, by motion made in accordance with Senate Bill 18, 82nd Legislature, Regular Session, 2011, to acquire by eminent domain, upon the payment of adequate and just compensation, various ownership interests in specific parcels of real property that are needed to develop or improve both non-controlled and controlled access state highways, to include requesting the state attorney general to bring and pursue condemnation suits relating to those specific parcels of real property described in the attached itemized list.
10. **Routine Minute Orders and Reports**
- a. **Donations to the Department**
Various Districts - Consider the acknowledgment of donations with a value of \$500 or more, including donations of money, materials, services, or real property, that are made to the Texas Department of Transportation (department) for the purpose of assisting the department in carrying out its functions and duties or for improving access to or from a highway on the state highway system (see attached itemized list) (MO)
State statutes require the Texas Transportation Commission (commission) to acknowledge the acceptance of a gift to the Texas Department of Transportation that is valued at \$500 or more. By the adoption of this minute order, the commission acknowledges the receipt and acceptance of the property specified in the minute order.

10. **Routine Minute Orders and Reports (continued)**

b. **Real Estate Dispositions**

The Texas Transportation Commission must approve the sales, transfers, and exchanges of state rights of way and other real properties that are no longer needed for a state highway purpose. It must also approve, accept, and acknowledge donations to the state of real property that is valued at \$500 or more.

- (1) **Anderson County** - SH 294 - Consider the sale of right of way to an abutting landowner (MO)
The district has recommended that the Texas Transportation Commission determine that the land is no longer needed for highway purposes. An abutting landowner has requested to purchase the land, and it may be sold to the requester.
- (2) **Bee County** - SH 72 - Consider the rescission of Minute Order 116134, dated October 28, 2021, authorizing the release of an easement to the underlying fee owner (MO)
The counterparty failed to provide payment required to complete the release of the easement.
- (3) **De Witt County** - FM 240 - Consider the removal from the system, transfer of jurisdiction, control, and maintenance, and transfer of right of way to the county of De Witt, Texas (MO)
The district has recommended that the Texas Transportation Commission determine that a segment of roadway is no longer needed as part of the system. DeWitt County (county) has agreed to assume jurisdiction, control, and maintenance and has requested that the right of way be transferred to the county. The right of way may be transferred to the county without cost to remain in use for public road purposes and will revert to the state if it ceases to be used for public road purposes.
- (4) **Kendall County** - I-10 - Consider the rescission of Minute Order 116085, dated August 31, 2021, authorizing the release of an easement to the underlying fee owner (MO)
The counterparty failed to provide payment required to complete the release of the easement.
- (5) **Tom Green County** - South Orient Railroad - Consider the sale of railroad right of way to an abutting landowner (MO)
The district has recommended that the Texas Transportation Commission determine that the land is no longer needed for Texas Department of Transportation purposes. An abutting landowner has requested to purchase the land, and it may be sold to the requester.
- (6) **Travis County** - RM 2322 - Consider the exchange of drainage easements as part of a transaction to acquire a drainage easement needed for a state highway purpose (MO)
The district has recommended that the Texas Transportation Commission (commission) determine that the drainage easement to be conveyed by the state in the exchange is no longer needed for a state highway purpose. The governor, on the recommendation of the commission, may execute an instrument exchanging an interest in real property acquired but not needed for a highway purpose as whole or partial consideration for another interest in real property needed for a state highway purpose.

Italicized text in document is provided for informational purposes only and is not part of the official posted agenda.

10. **Routine Minute Orders and Reports (continued)**

c. **Reports**

(1) **Compliance Division Report**

State law requires the Texas Transportation Commission (commission) to establish a compliance program, which must include a Compliance Division to oversee the program. The Compliance Division is responsible for acting to prevent and detect serious breaches of Texas Department of Transportation (department) policy, fraud, waste, and abuse of office, including any acts of criminal conduct within the department. The Compliance Division is required to provide a monthly report to the commission regarding investigations and a summary of information relating to trends and recommendations.

(2) **Quarterly Investment Report**

Quarterly Investment Report for all of the funds invested at the direction of the Texas Transportation Commission (Report)

This is a presentation of the quarterly investment report for the investment of: (1) funds held by the Bank of New York Mellon, as trustee, under the Indenture of Trust securing the Central Texas Turnpike System toll revenue obligations; (2) funds for the custodial accounts under the Master Lockbox and Custodial Account Agreement held by the Bank of New York Mellon, acting as custodian; (3) funds held by Amegy Bank, a Division of ZB, National Association, as trustee, under the Trust Agreement securing the I-35E Managed Lanes Project toll revenue obligations; and (4) funds held by U.S. Bank National Association, as trustee, under the Master Trust Agreement securing the SH 249 System toll revenue obligations.

d. **Toll Projects**

Various Counties - Consider amending Texas Transportation

Commission's free passage policy regarding free passage on Texas Department of Transportation toll projects and systems (MO)

In Minute Order 110911, dated April 26, 2007, and as amended by subsequent minute orders, the Texas Transportation Commission adopted a free passage policy defining the circumstances under which free passage on Texas Department of Transportation toll projects and systems may be provided. This minute order will amend the free passage policy to (1) clarify that free passage for authorized emergency vehicles includes vehicles used by nonprofit disaster relief organizations, (2) clarify that the term "military vehicles" includes unmarked vehicles as defined by statute, (3) provide free passage for vehicles owned by disabled peace officers, and (4) delete duplicative provisions and make grammatical edits for clarity and readability.

e. **Finance**

State Highway Fund Short-Term Borrowings - Approve the execution

of resolutions authorizing the execution and delivery of direct lending agreements with financial institutions and the related issuance of State Highway Fund Revenue Flexible Rate Revolving Notes (MO)

The Texas Transportation Commission may authorize the Texas Department of Transportation (department) to issue notes or borrow money from any source to carry out the functions of the department. The adoption of this minute order would authorize the department to borrow directly from certain financial institutions for cash flow purposes.

10. **Routine Minute Orders and Reports (continued)**

f. **Transportation Planning**

- (1) **SH 121 - Various Counties** - Consider concurrence with the Regional Transportation Council of the North Central Texas Council of Governments' funding of construction and other project development costs of projects to be advanced through the use of payments received from the North Texas Tollway Authority in accordance with the SH 121 Toll Project Agreement (MO)
The Texas Department of Transportation has established a separate fund to account for, and track projects and project costs funded with the SH 121 payments. This minute order authorizes the funding of additional projects or project costs and changes to the list of previously approved projects. The project costs to be funded were selected through a cooperative process with the Regional Transportation Council.
- (2) **SH 161 - Various Counties** - Consider concurrence with the Regional Transportation Council of the North Central Texas Council of Governments' funding of construction and other project development costs of projects to be advanced through the use of payments received from the North Texas Tollway Authority in accordance with the SH 161 Toll Project Agreement (MO)
The Texas Department of Transportation has established a separate fund to account for and track projects and project costs funded with the SH 161 payments. This minute order authorizes the funding of additional projects or project costs. The project costs to be funded were selected through a cooperative process with the Regional Transportation Council.
- (3) **North Tarrant Express Segments 1 & 2 - Various Counties** - Consider concurrence with the Regional Transportation Council of the North Central Texas Council of Governments' funding of construction and other project development costs of projects to be advanced through the use of surplus toll revenue received in accordance with the North Tarrant Express Toll Project Agreement (MO)
The Texas Department of Transportation has established a separate subaccount to account for and track projects and project costs funded with surplus toll revenue from the North Tarrant Express (NTE) Segments 1 and 2. This minute order authorizes the use of surplus toll revenues from the NTE Segments 1 & 2 Regional Toll Revenue subaccount for the funding of transportation projects proposed by the Regional Transportation Council of the North Central Texas Council of Governments, which were selected through a cooperative between the Texas Department of Transportation and the Regional Transportation Council.

g. **Speed Zones**

- Various Counties** - Consider the establishment or alteration of regulatory and construction speed zones on various sections of highways in the state (MO)
This minute order establishes or alters regulatory and construction speed zones on various sections of highways in the state.

11. **Executive Session** Pursuant to Government Code, Chapter 551
Section 551.071 - Consultation with and advice from legal counsel regarding any item on this agenda, pending or contemplated litigation, or other legal matters.

OPEN COMMENT PERIOD - At the conclusion of all other agenda items, the commission will allow an open comment period, not to exceed one hour, to receive public comment on any other matter that is under the jurisdiction of the department. No action will be taken. Each speaker will be allowed a maximum of three minutes. Speakers must be signed up prior to the beginning of the open comment period.
