## **AGENDA**

**TEXAS TRANSPORTATION COMMISSION**  
**Texas Department of Transportation**  
**125 East 11<sup>th</sup> Street**  
**Austin, Texas**

**Thursday**  
**January 29, 2026**

**NOTE:**

Persons with special needs or disabilities who require auxiliary aids or services are requested to contact the commission chief clerk at (512)-305-9509 at least three working days before the day of the meeting so that appropriate arrangements can be made.

Atención. Si desea recibir asistencia gratuita para traducir esta información, llame al 512-305-9500.

**10:00 A.M. CONVENE MEETING**

1. **Safety Briefing**  
*Staff will provide general safety instruction.*
2. **Opening Comments from Commissioners and Executive Director**
  - a. Commissioner Steven D. Alvis
  - b. Commissioner Alex Meade
  - c. Commissioner Robert C. Vaughn
  - d. Acting Chair W. Alvin New - Texas Freight Advisory Committee Leadership, 2025 Crash Reporting, and Rural Texas Health Care Federal Funding
  - e. Executive Director Marc Williams - TxDOT Updates
3. **Consider the approval of the Minutes** of the December 16, 2025 regular meeting of the Texas Transportation Commission

4. **Contracts**

Consider the award or rejection of contracts for highway construction and maintenance, and construction and rehabilitation of buildings (Presentation)

*These proposed minute orders contain information concerning the receipt of bids for highway improvement contracts. The Texas Department of Transportation may reschedule receipt of bids for those projects where the Texas Transportation Commission (commission) rejects all bids. Those bids accepted by the commission will result in conditional contract awards to the low bidders. Contract award conditions may involve securing funding from other sources, the contractor's ability to satisfy statutory requirements, or other requirements as outlined in the project bid proposal.*

- a. **Highway Improvements and Other Transportation Facilities (MO)**  
(see attached itemized list)
- b. **Routine Maintenance (MO)**  
(see attached itemized list)
- c. **Construction and Rehabilitation of Buildings (MO)**  
(see attached itemized list)

5. **Discussion Item**

**Development of the 2027 Unified Transportation Program Planning Targets**

(Presentation)

*The Unified Transportation Program (UTP) is a 10-year statewide plan for transportation project development. The purpose of this presentation is to facilitate a discussion of the 2027 UTP planning targets and investment strategy. The outcome will be a guidance document to be distributed to Texas Department of Transportation districts, metropolitan planning organizations, and other planning partners for the development of the 2027 UTP.*

6. **Aviation**

**Various Counties** - Consider the award of federal non-primary entitlement grant funding, federal apportionment grant funding, Infrastructure Investment and Jobs Act grant funding, and state grant funding for airport improvement projects at various locations (MO)

*Federal law authorizes the award of federal non-primary entitlement grant funding, federal apportionment grant funding, and Infrastructure Investment and Jobs Act grant funding to preserve and improve the state's general aviation system. State law authorizes the award of state grant funding for capital improvement projects.*

7. **Public Transportation**

**Various Counties** - Consider the award of state and federal funds to multiple entities for a variety of program-eligible purposes (MO)

*The awards identified in this minute order reflect an allocation of state and federal Section 5311 Rural Areas Formula Grant Program funds to Community Services, Inc. for general public transportation, a reallocation of unused fiscal year 2021 federal Section 5339(b) Buses and Bus Facilities Competitive Program Funds to Capital Area Rural Transportation System for the purchase of fleet vehicles for the Electric Vehicle Pilot Program implementation and an allocation of federal Section 5304 Statewide and Nonmetropolitan Transportation Planning Program funds to Central Texas Rural Transit District for regional coordination planning activities.*

8. **State Infrastructure Bank Loan**

**Various Counties** - Consider approval of applications for State Infrastructure Bank loans from various applicants (Presentation) (MO)

*This minute order will authorize the executive director or their designee to enter into a financial assistance agreement with each applicant pursuant to the terms of this minute order and 43 Texas Administrative Code Chapter 6.*

9. **Promulgation of Administrative Rules** Under Title 43, Texas Administrative Code, and the Administrative Procedures Act, Government Code, Chapter 2001:

**Rule Proposals**

a. **Chapter 2 - Environmental Review of Transportation Projects**

Amendments to §2.201-2.206, and repeal of §2.207 concerning Memorandum of Understanding with the Texas Parks and Wildlife Department (MO)

*The proposed amendments to multiple rule sections and repeal of one rule section revise and update the Texas Department of Transportation's Memorandum of Understanding with the Texas Parks and Wildlife Department, which is required by Transportation Code §201.607.*

b. **Chapter 9 - Contract and Grant Management**

Amendments to §9.12-§9.15 and §9.17 concerning contracts for highway projects (MO)

*The proposed amendments extend the prequalification grace period to four months for all qualification levels, standardize language for clarity and consistency, clarify requirements for electronic bid bonds, allow the Texas Department of Transportation (department) to determine a bid nonresponsive if a discrepancy with a bidder certification is discovered prior to contract award, and document that the department may delay its notification of contract award pending resolution of necessary conditions.*

9. **Promulgation of Administrative Rules(continued)**  
**Rule Proposals(continued)**  
c. **Chapter 28 - Oversize and Overweight Vehicles and Loads**  
Amendments to §28.11, and §28.12(e), repealing the requirement for surety bonds to be approved by the Comptroller of Public Accounts and the Attorney General's Office (MO)  
*The proposed amendments allow for Texas Department of Transportation (department) legal staff to review bonding requirements for Highway Crossing Agreements that allow the transport commodities or products from private property across a highway to another private property. These agreements are subject to review by the Area Office and prior to this rule required approval from the State Comptroller's Office and the Attorney General's Office. The proposed rule will streamline the process for applicants and ease department coordination.*
10. **Eminent Domain**  
**Galveston County** - Authorize condemnation of a parcel of land along the Gulf Intracoastal Waterway for dredge material placement (MO)  
*This minute order authorizes the Texas Department of Transportation (department) to condemn a 255.881-acre parcel of land for the placement of material dredged from the Gulf Intracoastal Waterway and future beneficial use projects, in accordance with the department's role as the non-federal sponsor as designated by the Texas Coastal Waterways Act.*
11. **Eminent Domain Proceedings**  
**Various Counties** - Consider the authorization of the filing of condemnation proceedings to acquire real property by eminent domain for non-controlled and controlled access highways (MO) (see attached itemized list)  
*Texas Transportation Commission findings, determinations, and authorizations for the state, by motion made in accordance with Senate Bill 18, 82nd Legislature, Regular Session, 2011, to acquire by eminent domain, upon the payment of adequate and just compensation, various ownership interests in specific parcels of real property that are needed to develop or improve both non-controlled and controlled access state highways, to include requesting the state attorney general to bring and pursue condemnation suits relating to those specific parcels of real property described in the attached itemized list.*

12. **Routine Minute Orders and Reports**

a. **Donations to the Department**

**Various Districts** - Consider the acknowledgment of donations with a value of \$500 or more, including donations of money, materials, services, or real property, that are made to the Texas Department of Transportation (department) for the purpose of assisting the department in carrying out its functions and duties or for improving access to or from a highway on the state highway system (MO) (see attached itemized list)

*State statutes require the Texas Transportation Commission (commission) to acknowledge the acceptance of a gift to the Texas Department of Transportation that is valued at \$500 or more. By the adoption of this minute order, the commission acknowledges the receipt and acceptance of the property specified in the minute order.*

b. **Real Estate Dispositions**

*The Texas Transportation Commission must approve the sales, transfers, and exchanges of state rights of way and other real properties that are no longer needed for a state highway purpose. It must also approve, accept, and acknowledge donations to the state of real property that is valued at \$500 or more.*

(1) **Atascosa County** - SH 97 - Consider the quitclaim of right of way to an abutting landowner (MO)

*The district has recommended that the commission determine that the land is no longer needed for highway purposes. There is no record title to the property, and Atascosa County has requested the quitclaim of the tract to the abutter.*

(2) **Austin County** - I 10 & FM 1458 - Consider the sale of right of way to an abutting landowner (MO)

*The district has recommended that the commission determine that the land is no longer needed for highway purposes. An abutting landowner has requested to purchase the land, and it may be sold to the requester.*

(3) **Bexar County** - I 10 - Consider the exchange of a drainage easement as part of a transaction to acquire a drainage easement needed for a state highway purpose (MO)

*The district has recommended that the Texas Transportation Commission (commission) determine that the drainage easement to be conveyed by the State in the exchange is no longer needed for a state highway purpose.*

12. **Routine Minute Orders and Reports (continued)**

b. **Real Estate Dispositions (continued)**

- (4) **Dallas County** - SL 12 - Consider the sale of right of way to an abutting landowner (MO)  
*The district has recommended that the Texas Transportation Commission determine that the land is no longer needed for highway purposes. An abutting landowner has requested to purchase the land, and it may be sold to the requester.*
- (5) **Grimes County** - FM 244 - Consider a highway easement release to the underlying fee owner (MO)  
*The district has recommended that the Texas Transportation Commission determine that the easement is no longer needed for highway purposes. The easement may be released to the underlying fee owner.*
- (6) **Tarrant County** - West Lancaster Avenue - Consider the sale of right of way to a governmental entity with the authority to condemn the property (MO)  
*The district has recommended that the Texas Transportation Commission determine that the land is no longer needed for highway purposes. A governmental entity with the authority to condemn the property has requested to purchase the land, and it may be sold to the requester.*
- (7) **Tarrant County** - SH 26 - Consider the removal from the system, transfer of jurisdiction, control, and maintenance, and transfer of right of way to the city of Colleyville, Texas (MO)  
*The district has recommended that the Texas Transportation Commission determine that a segment of roadway is no longer needed as part of the state highway system. The city of Colleyville (city) has agreed to assume jurisdiction, control, and maintenance and has requested that the right of way be transferred to the city. The right of way may be transferred to the city without cost to remain in use for public road purposes and will revert to the state if it ceases to be used for public road purposes, if the unrestricted motor vehicle lanes are reduced in number or width, or if the capacity of the roadway is reduced at all.*

12. **Routine Minute Orders and Reports (continued)**

c. **Reports**

(1) **Compliance Division Report**

*State law requires the Texas Transportation Commission (commission) to establish a compliance program, which must include a Compliance Division to oversee the program. The Compliance Division is responsible for acting to prevent and detect serious breaches of the Texas Department of Transportation (department) policy, fraud, waste, and abuse of office, including any acts of criminal department. The Compliance Division is required to provide a monthly report to the commission regarding investigations and a summary of information relating to trends and recommendations.*

(2) **Letting Allocation Report**

Quarterly report on the fiscal year 2026-2027 letting allocation, the actual allocation utilized through the quarter, and proposed remaining highway maintenance and construction contract letting for the fiscal year (Report)

*This report will provide the current overall allocation status, by district and metropolitan planning organization, of the fiscal year 2026-2027 letting allocation and will also provide the anticipated effect on the letting allocation of remaining proposed highway maintenance and construction letting.*

(3) **Quarterly Cash Report**

Quarterly report on fiscal year 2026 State Highway Fund 6 cash activity (Report)

*This report updates the commission on the year-to-date cash balance and activity of Fund 6. The report will include original projections and actual revenues/inflows and expenditures/outflows on a cash basis.*

(4) **Short-term Borrowing Program Report**

Short-term Borrowing Program Report (Report)

*The Texas Transportation is providing a report to the members of the Bond Review Board that summarizes the recent activity and anticipated future activity for the State Highway Fund Short-term Borrowing Program.*

d. **Speed Zones**

**Various Counties** - Consider the establishment or alteration of regulatory and construction speed zones on various sections of highways in the state (MO)

*This minute order establishes or alters regulatory and construction speed zones on various sections of highways in the state.*

13. **Executive Session Pursuant to Government Code, Chapter 551 Section 551.071**

Consultation with and advice from legal counsel regarding any item on this agenda, pending or contemplated litigation, or other legal matters.

**OPEN COMMENT PERIOD** - At the conclusion of all other agenda items, the commission will allow an open comment period, not to exceed one hour, to receive public comment on any other matter that is under the jurisdiction of the Texas Department of Transportation. No action will be taken. Each speaker will be allowed a maximum of three minutes. Speakers must be signed up prior to the beginning of the open comment period.

**ADJOURN**

\* \* \*

**NOTE:**

Enumerated agenda items are assigned numbers for ease of reference and will not necessarily be considered by the commission in that order. Agenda items with (MO) are those for which the commission is considering an action.
