

## Summary of Chapter 15 Proposed Changes

The Texas Department of Transportation (department) proposes amendments to §15.188, Application Procedure, to remove the requirement that a county must submit a county road condition report as part of the application process for consideration of being awarded a County Transportation Infrastructure Fund Grant. These amendments conform the rules to changes made by S.B. 160, 87th Legislature, Regular Session, 2021, to Transportation Code, Chapter 256, Subchapter C.
