

### §31.3 Summary

The Texas Department of Transportation proposes the repeal and replacement of §31.3, the repeal of 31.16, amendments to §§31.30, 31.31, 31.36, 31.40, and 31.43-31.50, and the repeal and replacement of §31.57, relating to the policies and procedures followed by the department in the administration of state and federal public transportation grant funds. The changes update and streamline the department's rules, addresses recommendations made by the Texas Regulatory Efficiency Office (TREGO), removes obsolete program references, and amends language governing the allocation of funding for federal 5310 and 5339 grant programs.
