

## Summary of Chapter 28 Proposed Changes

The Texas Department of Transportation (department) proposes amendments to §28.102, which relates to certain powers and duties of the Hidalgo County Regional Mobility Authority (HCRMA). The changes add specified off-system roadway segments to the roadways that the Texas Transportation Commission has authorized HCRMA to issue permits for oversize and overweight vehicle travel. The changes require that certain conditions be met before HCRMA may issue permits for travel on those off-system segments and provides that HCRMA may not issue a permit for travel on the added segments after September 30, 2025.
