

I-635/US 80 INTERCHANGE IMPROVEMENT PROJECT

PROJECT FACT SHEET

TEXAS DEPARTMENT OF TRANSPORTATION

DESCRIPTION

The project will improve mobility and bring the roadway to current design standards while meeting the needs of future travel demands stemming from projected population growth and traffic volumes. Improvements include:

- **Reconstruct and improve** the I-635/US 80 Interchange
- **Reconstruct and widen** US 80 from east of Town East Boulevard to east of Belt Line Road
- **Add continuous frontage roads** along I-635 between Town Centre Drive and Gross Road
- **I-635 improvements** at Town Centre Drive and Gross Road intersections

EXPECTED TRAFFIC IMPACTS

- **Various lane and ramp closures are possible** during the project. Delays can be expected. View scheduled closures at [DriveTexas.org](https://www.drive-texas.org)

PROJECT DETAILS

- **Length of Project:** 5.45 miles
- **Contractor:** Austin Bridge & Road Services, LP
- **Project Start:** February 2025
- **Estimated Completion:** Early 2029
- **Project Cost:** \$540 million
