PUBLIC MEETING SUMMARY

Meeting Date and Time:	Thursday, October 3, 2013 5:30 pm to 7:30 pm
Meeting Location:	Magnolia West High School Cafeteria 42202 FM 1774 Rd, Magnolia, Texas
Meeting Purpose:	To present the Recommended B/C Alternative Alignment and gather public input.
Meeting Format:	The Texas Department of Transportation (TxDOT) conducted an open house public meeting to present the Recommended B/C Alternative Alignment, exhibit boards displaying project objectives, considerations and constraints, design criteria, next steps, and the environmental analysis process. Four schematics of the Recommended B/C Alternative Alignment were available for the public to view; three on easels and one with TxDOT right-of-way. Representatives from TxDOT and the consulting firm were available to discuss the SH 249 Extension project with the public and answer questions. A written comment area was furnished with tables, chairs, comment forms, pens and comment boxes for depositing the comments.
Staff:	TxDOT: 18 Consultants: 9
Attendance:	147 (112 citizens, 5 public officials, 3 media and 27 staff)
Media:	David Pollan, <i>Community Impact Newspaper</i> Jonathan McCall, <i>News, 92-FM KROI</i> Lindsey Vaculin, <i>Magnolia Potpourri</i>
Notices:	Display Ad: <i>The Houston Chronicle</i> , September 3 & September 23, 2013 Display Ad: <i>La Voz De Houston</i> , September 8 & September 22, 2013 Display Ad: <i>Magnolia Potpourri</i> , September 4 & September 25, 2013 248 meeting notices were mailed on August 28, 2013 to persons listed on the project mailing list including

public officials, adjacent property owners, and interested parties.

Meeting Summary:

No formal presentation was given at the meeting. Project exhibits for the SH 249 Extension (limits from FM 1774 in Todd Mission to FM 1774 in Pinehurst) were available throughout the meeting to give all attendees an opportunity to view exhibits and documents. Representatives from TxDOT and the SH 249 Extension consulting team were available to respond to the questions from the public regarding the SH 249 Extension. In anticipation that some attendees would have questions regarding a separate, yet adjacent project, the SH 249 Grimes County Study (FM 1774 in Todd Mission to SH 105), a separate table was set up with representatives to answer questions specific to that project. Additionally, at the table for the SH 249 Grimes County Study there was a separate comment box as well as separate comment forms provided for those attendees interested in the SH 249 Grimes County Study. This set-up allowed TxDOT to distinguish between comments received on the SH 249 Extension and comments received on the SH 249 Grimes County Study. The following provides a summary of the written comments received.

A total of twenty-eight written comment forms were submitted to TxDOT at the public meeting or before the October 17, 2013 comment deadline. Three of the comments submitted in the SH 249 Extension comment box were completed on the SH 249 Grimes County Study comment form. Therefore, while those three comments are included in the comment response matrix below, they were not used in the total tally for support versus opposition for the SH 249 Extension. Of the twenty-five written comments pertaining to the SH 249 Extension; 44 percent are in support of the proposed SH 249 Extension and 40 percent are in opposition. The remaining 16 percent were either undecided or did not express a clear indication as to whether they are in support of opposition of the proposed project.

The following comment response matrix table represents written comments (forms provided at the Public Meeting) that were received at the October 3,

2013 Public Meeting or via email (as shown in column 5 of the comment response matrix table). The comment response matrix table also indicates whether the property owner is in support of the project, opposed to the project or undecided per their response to a question on the comment form (see columns 6-8 on the comment response matrix table). If the comment was provided on the Grimes County Study form this column field was left blank.

			and planning process has included three public meetings on the MIS and four public meeting on the SH 249 Extension DEIS.				
General	John Fisharo (2)	Thanks for all you're doing to complete SH 249 to Navasota. This is long overdue and growing congestion along SH 249 cries out for this project. There is no time for further delay. The time is ripe and the pieces are falling into place to complete SH 249 now. The number of select supporters for this far outweighs the handful of dissenters. I am confident TxDOT can work its magic to produce the best possible solution. The growth of western Montgomery County has exploded and current roadways are in adequate to handle mobility need of the very near future. With the	Comment acknowledged.	SH 249 Extension form	X

			Once the DEIS is approved, a public hearing will be held to show the Preferred Alternative. The remaining steps of the environmental clearance process will be presented at the public hearing.				
Natural and Physical Environmental Issues	Ernie Halsell (11)	My property is in Hazy Hollow. I do not have to give up property for right-of-way but the toll road will run behind my house so we will have to put up with the traffic noise. A fence or barrier would be nice to muffle traffic noise.	A noise analysis is being conducted for this project. A noise barrier will be proposed if the barrier is considered reasonable and feasible per TxDOT's Guidelines for Analysis and Abatement of Roadway Traffic Noise found at the following website: http://ftp.dot.state.tx.us/pub/txdot-info/library/pubs/bus/env/traffic_noise.pdf . The preliminary noise analysis results will be available at the time of the release of the DEIS scheduled for mid-2014.	SH 249 Extension		X

		desire to have an “efficient link” to the city/major highways. In fact we live in a rural area to specifically escape the traffic, noise, light, and air pollution of the city. We live here in full knowledge of and willing to undertake a lengthy and time-consuming commute to our jobs, shopping centers, etc. because our quality of life in the country outweighs that of the city. The livelihood of those who farm and/or ranch along the path of this “project” will be in jeopardy. Grimes County has historically been an agricultural county and should be allowed to remain so. It appears this “project” is being built to cater to a minority of the population at the expense of those who will not in any way benefit from it, and may, in fact,

		<p>have their chosen lifestyle destroyed by it.</p> <p>It would seem to me that TxDOT should focus on spending our tax dollars on maintaining and improving the existing roadways... think how much could be done with the millions of dollars from this "project" alone... instead of building more roadways that are not necessary, will unduly burden the taxpayers for years to come and benefit a select few.</p> <p>If Harris County wants the project, fine, but let it stop at the Harris County line. The countryside of Montgomery and Grimes counties along the route of this "project" will be ruined forever by this travesty, as will the lifestyle and livelihood of those in its</p>

BIDS & PROPOSALS

INVITATION TO BIDDERS

Sealed bids, in duplicate, addressed to Brazoria County Municipal Utility District No. 21, Attention: Mr. Dwayne L. Sparks, President, Board of Directors, will be received at the office of the Engineer, J.A. Engineering, Inc., 2929 Briarpark Drive, Suite 500, Houston, Texas 77042, until 2:00 p.m. Local Time, Tuesday, September 17, 2013, and then publicly opened and read for furnishing all plant, labor, material and equipment and performing all work required for the project: Paving Improvements for East Avalon Drive. The Site of the work is south of the intersection of University Boulevard and Moon Brook Lane in Fort Bend County, Texas. A voluntary pre-bid conference will be held in the office of Costello, Inc. at 2:30 p.m. local time, Tuesday, September 10, 2013. All prospective bidders are invited to attend. Plans, specifications and bid documents may be viewed and downloaded free of charge (with the option to purchase hard copies) at the CivCastUSA Website (www.CivCastUSA.com). Reproduction charges will apply according to CivCastUSA rates.

RFP No. 13-034 San Jacinto River Authority Groundwater Reduction Plan Program GROUNDWATER REDUCTION PLAN PROGRAM SEGMENT W3A PROPOSED 20" AND 24" WATER TRANSMISSION LINE. Sealed Proposals must be delivered to the San Jacinto River Authority, Purchasing Department, 1577 Dam Site Road, Conroe, TX 77304 no later than 2:00 PM on September 24, 2013. Proposals will be publicly opened and read aloud at this point. Address proposals to: Steve Gibson, CPPB, San Jacinto River Authority, Purchasing Department, 1577 Dam Site Road, Conroe, TX 77304. A mandatory Pre-Submittal Conference will be held at 1577 Dam Site Road, Conroe, Texas 77304 at 10:00 am on September 10, 2013. A complete set of Request for Proposal (RFP) Documents may be accessed at the Brazos Valley Online Bidding System (<http://brazosbid.cstx.gov>) or via a link from the SJRA Website, Purchasing tab. A one-time registration is required in order to view or download RFP Documents and receive automatic notification of Addenda. The SJRA reserves the right to reject any or all Proposals and to waive informalities and irregularities. Any contract(s) awarded under this Invitation to Submit Proposals is expected to be funded in part by a loan from the Texas Water Development Board and is contingent upon release of funds from the Texas Water Development Board. Neither the State of Texas, nor any of its departments, agencies, or employees are or will be a party to this Invitation to Submit Proposals or any

LEGAL NOTICES

NOTICE TO CLAIMANTS

If you had funds in escrow at Direct Title, LLC, a Houston title agency, you may have a claim for reimbursement from the Texas Title Insurance Guaranty Association ("TTIGA"). On May 24, 2013, Direct Title, LLC was placed in supervision and designated as impaired by order of the Texas Commissioner of Insurance. To file a claim against Direct Title, you MUST file a proof of claim form can be obtained at TTIGA's website at www.ttiga.org/rec.html or by mail or phone: Texas Title Insurance Guaranty Association, 106 E. 6th St., STE 300, Austin, Texas 78701-3661 (512) 474-1587

PUBLIC NOTICE

Comments on the proposed renovation, restoration and construction of a boardwalk, pier and boat slips at 4101 Nasa Road One, El Lago, TX 77586 are invited to the project will consist of restoring the existing boat slip walkways (3 on each side of a common walkway; two are 30' in length each and the third set is 40' in length), landing and breakwater. In addition the landing area will be expanded (irregular shape and have an arbor over approximately one-half of the landing area (8' X 40'), and an overwalk fishing pier approximately six feet wide by 60' long on each side of the landing, with railings on each side will be constructed along the breakwater. There will also be constructed an 8' wide boardwalk waterfront area in front of the existing bulkhead (554'). Plans may be obtained or reviewed by contacting Dwell @ Clear Lake, LLC c/o Dan Carless, 4101 Nasa Road One, El Lago, TX 77586, phone: 727.373.9276. Comments should be directed to the Texas General Land Office, 11811 North D Street, La Porte, Texas 77571-9135 within 20 days of this notice.

Public Notice

Notice is hereby given that application has been made to the Office of the Comptroller of the Currency ("OCC"), at the OCC's Southern District Office, 500 North Akard St., Suite 1600, Dallas, TX 75201, requesting prior approval for the merger of Metro United Bank, a California banking corporation with its main office in San Diego, California ("Metro United"), with and into MetroBank, National Association, a national banking association with its main office in Houston, Texas ("MetroBank"), with a new name "Metro United Bank, N.A." continuing as the surviving entity. MetroBank and Metro United are both wholly-owned subsidiaries of MetroCorp Bancshares, Inc. with headquarters in Houston, Texas. No branch of Metro United will cease to operate as a result of the transaction contemplated by the aforementioned application. This notice is published pursuant to 12 U.S.C. Section 1828(c) and 12 C.F.R.

LEGAL NOTICES

NOTICE OF PUBLIC MEETING

The Texas Department of Transportation (TxDOT) will conduct a public meeting regarding the proposed extension of SH 249 from FM 1774 in Pinehurst to Todd Mission in Montgomery and Grimes counties. The meeting will be held on October 3, 2013 at Magnolia West High School, which is located at 42202 FM 1774 Rd, Magnolia, TX 77354. The meeting will be held in an open house format from 5:30 p.m. to 7:30 p.m.

The purpose of the meeting is to gather public input on the proposed extension of SH 249 from Pinehurst to Todd Mission as a four-lane divided controlled access highway on new location within a 400-foot right-of-way. The proposed project would be a toll facility.

Exhibits showing aerial photography and a diagrammatic of the proposed project will be presented at the meeting. Representatives from TxDOT and their study team will be available to answer individual questions. Public comments are encouraged. The diagrammatic showing the proposed location is on file and available for inspection at the TxDOT Houston District Office at 7600 Washington Avenue, Houston, Texas 77007. The TxDOT office is open Monday through Friday, from 8:00 a.m. to 5:00 p.m., excluding state holidays.

Additional right-of-way would be required for the proposed project and displacements would be necessary. Personnel from the TxDOT Right-of-Way Section will be available to discuss TxDOT's Relocation Assistance Program that provides benefits and services for those that may be displaced. Information about the tentative right-of-way acquisition schedule may be obtained from the Houston District office.

Persons interested in attending the public meeting who have special communication or accommodation needs are encouraged to contact TxDOT's Public Information Office at 713-802-5072 at least two working days prior to the meeting. Since the public meeting will be conducted in English, any requests for language interpreters or other special communication needs should also be made at least two working days prior to the public meeting. TxDOT will make every reasonable effort to accommodate these needs.

All interested persons are invited to attend this public meeting. Written comments relative to the proposed project may be presented at the meeting or submitted to the Director of Project Development, Texas Department of Transportation, P.O. Box 1386, Houston, Texas 77251-1386, at any time on or before October 17, 2013. Comments may also be emailed on or before October 17, 2013 to PIOWebMail@txdot.gov.

NOTICE OF SALE
HARRIS COUNTY MUNICIPAL UTILITY
DISTRICT NO. 180
(A political subdivision of the State of Texas located in Harris County, Texas)

\$4,450,000
UNLIMITED TAX BONDS, SERIES 2013
"Qualified Tax-Exempt Obligations"
The Board of Directors of Harris County Municipal Utility District No. 180 (the "District") will publicly receive sealed bids on the \$4,450,000 Unlimited Tax Bonds, Series 2013 (the "Bonds"), until 11:00 a.m., Central Daylight Time, Wednesday, October 9, 2013, at the offices of Blitch Associates, Inc., 11111 Katy Freeway, Suite 820, Houston, Texas 77079-2118. At a meeting to be held on Wednesday, October 9, 2013 at 12:00 Noon, Central Daylight Time, at 6750 West Loop South, Suite 250, Bellaire, Texas 77401, the Board of Directors of the District will thereupon either accept or reject the best bid. Sealed bids, plainly marked "Bid for Bonds," should be addressed to the President and Board of Directors of the District and delivered to the offices of Blitch Associates, Inc., at the address noted above prior to 11:00 a.m., Central Daylight Time, Wednesday, October 9, 2013. All bids must be submitted on the "Official Bid Form" and accompanied by a bank Cashier's Check in the amount of \$89,000 payable to the order of the District as a Good Faith Deposit. Bonds will mature serially on March 1 in each of the years 2015 through 2035, both inclusive, and will be dated November 1, 2013. The "Official Notice of Sale," the "Preliminary Official Statement" and the "Official Bid Form" may be obtained from the District's Financial Advisor, Blitch Associates, Inc., at the address noted above. The District reserves the right to reject any and all bids and to waive any and all irregularities except time of filing. This notice does not constitute an offer to sell the Bonds but is merely notice of sale of the Bonds as required by Texas law. The offer to sell the Bonds will only be made by means of the "Official Notice of Sale," the "Preliminary Official Statement" and the "Official Bid Form."
Dated this September 18, 2013
Donald E. Beaseley
President, Board of Directors
Harris County Municipal Utility District No. 180

NOTICE OF PUBLIC MEETING

The Texas Department of Transportation (TxDOT) will conduct a public meeting regarding the proposed extension of SH 249 from FM 1774 in Pinehurst to FM 1774 in Todd Mission in Montgomery and Grimes counties. The meeting will be held on October 3, 2013 at Magnolia West High School, which is located at 42202 FM 1774 Rd, Magnolia, TX 77354. The meeting will be held in an open house format from 5:30 p.m. to 7:30 p.m.

The purpose of the meeting is to gather public input on the proposed extension of SH 249 from Pinehurst to Todd Mission as a four-lane divided controlled access highway on new location within a 400-foot right-of-way. The proposed project would be a toll facility.

Exhibits showing aerial photography and a diagrammatic of the proposed project will be presented at the meeting. Representatives from TxDOT and their study team will be available to answer individual questions. Public comments are encouraged. The diagrammatic showing the proposed location is on file and available for inspection at the TxDOT Houston District Office at 7600 Washington Avenue, Houston, Texas 77007. The TxDOT office is open Monday through Friday, from 8:00 a.m. to 5:00 p.m., excluding state holidays.

Additional right-of-way would be required for the proposed project and displacements would be necessary. Personnel from the TxDOT Right-of-Way Section will be available to discuss TxDOT's Relocation Assistance Program that provides benefits and services for those that may be displaced. Information about the tentative right-of-way acquisition schedule may be obtained from the Houston District office.

Persons interested in attending the public meeting who have special communication or accommodation needs are encouraged to contact TxDOT's Public Information Office at 713-802-5072 at least two working days prior to the meeting. Since the public meeting will be conducted in English, any requests for language interpreters or other special communication needs should also be made at least two working days prior to the public meeting. TxDOT will make every reasonable effort to accommodate these needs.

All interested persons are invited to attend this public meeting. Written comments relative to the proposed project may be presented at the meeting or submitted to the Director of Project Development, Texas Department of Transportation, P.O. Box 1386, Houston, Texas 77251-1386, at any time on or before October 17, 2013. Comments may also be emailed on or before October 17, 2013 to PIOWebMail@txdot.gov.

AVISO DE JUNTA PUBLICA

El Departamento de Transporte de Texas (TXDOT) conducirá una junta pública sobre la extensión propuesta de la carretera SH 249 desde FM 1774 en Pinehurst hasta FM 1774 en Todd Mission en los condados de Montgomery y Grimes. La junta se dará a cabo el 3 de octubre del 2013 en la escuela Magnolia West High School, que está localizada en el 42202 FM 1774 Rd, Magnolia, TX 77354. La junta será en formato abierto de 5:30 pm a 7:30 pm.

El propósito de la reunión es obtener la opinión pública sobre la extensión propuesta de la carretera SH 249 de Pinehurst a Todd Mission como una carretera de cuatro carriles de acceso controlado en la nueva ubicación dentro de un derecho de vía de 400 pies. El proyecto propuesto sería una instalación de peaje.

Las exhibiciones que muestran fotografía aérea y planes esquemáticos del proyecto propuesto serán presentadas en la reunión. Los representantes de TXDOT y miembros del equipo estarán disponibles para contestar preguntas individuales. Los comentarios del público son favorecidos. El plan esquemático que muestra el diseño propuesto está en el archivo y disponible para su inspección en la Oficina de TXDOT Houston District ubicada en 7600 Washington Avenue, Houston, Texas 77007. La oficina está abierta de lunes a viernes, de 8:00 a.m. a 5:00 p.m., excepto los días festivos del Estado.

Derecho de vía adicional sería requerido para el proyecto propuesto y desplazamientos serán necesarios. El personal de la Sección de Derecho de vía de TXDOT estará disponible para hablar de la programa de Asistencia para la Reubicación que ofrece beneficios y servicios de los que pueden ser desplazados. Información sobre el programa de adquisición de derecho de vía provisional se puede obtener en la oficina del Distrito de Houston.

Personas interesadas en asistir a la reunión pública que tienen necesidades especiales de comunicación o discapacidad, favor de comunicarse a la Oficina TXDOT's Public Information al número (713)-802-5072 por lo menos dos días hábiles antes de la reunión pública. Dado que la reunión pública se realizará en inglés, cualquier solicitud para intérpretes de idioma o otras necesidades especiales de comunicación también deben hacerse al menos dos días hábiles antes de la reunión pública. TXDOT hará todo el esfuerzo razonable para satisfacer estas necesidades.

Todas las personas interesadas son invitadas a asistir esta reunión pública. Los comentarios escritos con respecto al proyecto propuesto pueden ser presentados en la reunión o sometidos al Director of Project Development, Texas Department of Transportation, P.O. Box 1386, Houston, Texas 77251-1386, en tiempo en o antes del 17 de octubre 2013. Los comentarios también pueden ser mandados por correo electrónico en o antes del 17 de octubre 2013 a HOU-PIOWebMail@txdot.gov

AVISO DE JUNTA PÚBLICA

El Departamento de Transporte de Texas (TxDOT) conducirá una junta pública sobre la extensión propuesta de la carretera SH 249 desde FM 1774 en Pinehurst hasta FM 1774 en Todd Mission en los condados de Montgomery y Grimes. La junta se dará a cabo el 3 de octubre del 2013 en la escuela Magnolia West High School, que está localizada en el 42202 FM 1774 Rd, Magnolia, TX 77354. La junta será en formato abierto de 5:30 pm a 7:30 pm.

El propósito de la reunión es obtener la opinión pública sobre la extensión propuesta de la carretera SH 249 de Pinehurst a Todd Mission como una carretera de cuatro carriles de acceso controlado en la nueva ubicación dentro de un derecho de vía de 400 pies. El proyecto propuesto sería una instalación de peaje.

Las exhibiciones que muestran fotografía aérea y planes esquemáticos del proyecto propuesto serán presentadas en la reunión. Los representantes de TxDOT y miembros del equipo estarán disponibles para contestar preguntas individuales. Los comentarios del público son favorecidos. El plan esquemático que muestra el diseño propuesto está en el archivo y disponible para su inspección en la Oficina de TxDOT Houston District ubicada en 7600 Washington Avenue, Houston, Texas 77007. La oficina está abierta de lunes a viernes, de 8:00 a.m. a 5:00 p.m., excepto los días festivos del Estado.

Derecho de vía adicional sería requerido para el proyecto propuesto y desplazamientos serán necesarios. El personal de la Sección de Derecho de vía de TxDOT estará disponible para hablar de la programa de Asistencia para la Reubicación que ofrece beneficios y servicios de los que pueden ser desplazados. Información sobre el programa de adquisición de derecho de vía provisional se puede obtener en la oficina del Distrito de Houston.

Personas interesadas en asistir a la reunión pública que tienen necesidades especiales de comunicación o discapacidad, favor de comunicarse a la Oficina TxDOT's Public Information al número (713)-802-5072 por lo menos dos días hábiles antes de la reunión pública. Dado que la reunión pública se realizará en inglés, cualquier solicitud para intérpretes de idioma o otras necesidades especiales de comunicación también deben hacerse al menos dos días hábiles antes de la reunión pública. TxDOT hará todo el esfuerzo razonable para satisfacer estas necesidades.

Todas las personas interesadas son invitadas a asistir esta reunión pública. Los comentarios escritos con respecto al proyecto propuesto pueden ser presentados en la reunión o sometidos al Director of Project Development, Texas Department of Transportation, P.O. Box 1386, Houston, Texas 77251-1386, en tiempo en o antes del 17 de octubre 2013. Los comentarios también pueden ser mandados por correo electrónico en o antes del 17 de octubre 2013 a HOU-PIOWebMail@txdot.gov.

La TCEQ puede aceptar comentarios adicionales o dar la oportunidad para una audiencia pública si cumple con ciertos criterios.
COMENTARIOS PÚBLICOS Usted puede presentar comentarios públicos, o solicitar una audiencia de lo contencioso a la Oficina del Secretario Oficial al domicilio a continuación. La TCEQ tomará en cuenta todos los comentarios públicos en la decisión final de la solicitud. La fecha límite para presentar comentarios públicos es 15 días después de que se publique el aviso en el periódico. Después de la fecha límite para comentarios públicos, el director ejecutivo preparará una respuesta para todos los comentarios públicos pertinentes y materiales, o significativos. Temas como valores de propiedades, ruido, seguridad de tráfico y zonificación están fuera de la competencia de la TCEQ para abordar en el proceso del permiso.

Después de que se concluya la revisión técnica de la solicitud, el director ejecutivo tomará en cuenta los comentarios y preparará una respuesta para todos los comentarios públicos pertinentes y materiales, o significativos. Si únicamente se reciben comentarios, la respuesta a los comentarios, junto con la decisión del director ejecutivo con respecto a la solicitud, será enviada por correo a todas aquellas personas que sometieron comentarios públicos o quienes se encuentran en la lista de envío para esta solicitud, a menos que la solicitud sea presentada directamente para audiencia de lo contencioso.

OPORTUNIDAD PARA UNA AUDIENCIA DE LO CONTENCIOSO Usted puede solicitar una audiencia de lo contencioso. El solicitante o el director ejecutivo también pueden pedir que la solicitud se presente directamente para audiencia de caso impugnado después de la revisión técnica de la solicitud. Una audiencia de lo contencioso es un proceso legal parecido a un juicio civil en el tribunal de distrito del estado. A menos que se presente una solicitud por escrito para una audiencia de lo contencioso dentro de 15 días de este aviso, el director ejecutivo puede autorizar la solicitud. Si no se recibe una solicitud para audiencia dentro del plazo de 15 días, no se dará otra oportunidad para una audiencia. De acuerdo a la Ley de Aire Limpio de Texas, § 382.056(b), solo se puede conceder una audiencia de lo contencioso si el historial de cumplimiento normativo del solicitante se encuentra en la clasificación mas baja de acuerdo a los requisitos de historia de cumplimiento normativo que aplican y si la petición para la audiencia esta basada en cuestiones de hechos debatibles que son pertinentes y materiales para la decisión de la Comisión con respecto a la solicitud. Además, la Comisión solo concederá una audiencia sobre cuestiones que hayan sido presentadas durante el período de comentarios públicos y que no hayan sido retiradas.

Una persona que puede estar afectada por emisiones de contaminantes atmosféricos de una instalación tiene derecho a solicitar una audiencia. Si se solicita una audiencia de lo contencioso, debe presentar lo siguiente: (1) su nombre (o para un grupo o una asociación, un representante oficial), dirección, número de teléfono de día y número de fax, si lo tiene; (2) el nombre del solicitante y número del permiso; (3) la declaración "[yo/nosotros] solicitamos una audiencia de caso impugnado"; (4) una descripción específica de como se vería afectado adversamente por la solicitud y las emisiones atmosféricas de la instalación de manera que no es común para el público en general; (5) la ubicación y distancia de su propiedad con relación a la instalación; y (6) una descripción de como usa la propiedad lo cual podría ser afectado por la instalación. Si la petición la hace un grupo o una asociación, deben de identificar el miembro o los miembros que tienen derecho a solicitar una audiencia y los intereses que el grupo o la asociación busca proteger. También puede presentar los ajustes que propone hacer a la solicitud/permiso que satisficieran sus preocupaciones. Las peticiones para una audiencia de lo contencioso deben presentarse por escrito dentro de 15 días después de este aviso, a la Oficina del Secretario Oficial a la dirección que se encuentra mas abajo.

Si se registra a tiempo una petición para audiencia de lo contencioso, el director ejecutivo enviara la solicitud y cualquier petición para una audiencia de lo contencioso a los comisionados de la TCEQ para su consideración durante una de las reuniones programadas de la Comisión. A menos que la solicitud se presente directamente a una audiencia de lo contencioso, el director ejecutivo enviara por correo la respuesta a los comentarios junto con el aviso de la reunión de la Comisión a todas aquellas personas que hayan hecho comentarios o que se encuentran en la lista de envíos para esta solicitud. Si se concede la audiencia, el tema de la audiencia estara limitado a cuestiones debatidas de hechos relacionadas a intereses pertinentes y materiales de preocupaciones de calidad atmosférica que se hayan planteado durante el período de comentarios. Cuestiones tales como valores de propiedades, ruido, seguridad de tráfico y zonificación no están dentro de la competencia de la Comisión para abordar en este proceso judicial.

LISTA DE ENVIO Además de presentar comentarios públicos, puede solicitar que le incluyan en la lista de envío para esta solicitud específica por medio de una solicitud enviada a la Oficina del Secretario Oficial de la TCEQ en la dirección que se encuentra mas abajo. Los que integran la lista de envío recibirán copias de futuros avisos (si hay) para esta solicitud, enviadas por la Oficina del Secretario Oficial.

INFORMACIÓN Comentarios públicos por escrito o solicitudes para una reunión pública o una audiencia de lo contencioso se deben entregar a la Oficina del Secretario Oficial, MC-105, TCEQ, P.O. Box 13087, Austin, Texas 78711-3087, o por el Internet al www.tceq.texas.gov/about/comments.html. Para mayor información sobre esta solicitud para permiso o sobre el proceso de permisos, puede llamar sin cobro a la Oficina de Asistencia al Público, al 1-800-687-4040. Puede encontrar información general sobre la TCEQ en el sitio web www.tceq.texas.gov/.

Se puede obtener información adicional también de Qualawash Holdings, LLC, 1302 North 19th Street, Suite 300, Tampa, Florida 33605-5230 o al llamar a Mr. Philip B. Evans, Vice President Technical Services, The WCM Group, Inc. o al numero (281) 446-7070.

Notice of Availability of the Draft FEIS Re-evaluation US 290 Corridor FM 2920 to IH 610, Harris County

This notice is to advise the public that the Federal Highway Administration (FHWA) has released for review the Draft Re-evaluation of the Final Environmental Impact Statement (FEIS) for the US 290 Corridor Project from FM 2920 to IH 610 in Harris County, Texas, CSJ 0050-09-069, etc. This Re-evaluation addresses the interim placement of the tolled managed lanes in the center of the expanded US 290 main lanes from IH 610 to SH 99.

Copies of the released Re-evaluation and Public Meeting Summary Report for this project are available for review and reproduction at the Texas Department of Transportation (TxDOT) Houston District Headquarters, 7600 Washington Avenue, Houston, Texas 77007 or the US 290 Program Management Consultant office at 2950 North Loop West, Suite 1150, Houston, TX 77092. It is also available for review at www.my290.com. The Re-evaluation will be available for review for a period of thirty days. Written comments may be mailed to TxDOT Houston District, Attention: Director of Project Development, P.O. Box 1386, Houston, TX 77251-1386. Comments will be accepted by e-mail at: HOU-PIOWebMail@txdot.gov. The comment period for this review ends on September 18, 2013. For further information, please contact the Director of Project Development, TxDOT Houston District Office at (713) 802-5243. CYP 09/04

NOTICE OF PUBLIC MEETING

The Texas Department of Transportation (TxDOT) will conduct a public meeting regarding the proposed extension of SH 249 from FM 1774 in Pinehurst to FM 1774 in Todd Mission in Montgomery and Grimes counties. The meeting will be held on October 3, 2013 at Magnolia West High School, which is located at 42202 FM 1774 Rd, Magnolia, TX 77354. The meeting will be held in an open house format from 5:30 p.m. to 7:30 p.m.

The purpose of the meeting is to gather public input on the proposed extension of SH 249 from Pinehurst to Todd Mission as a four-lane divided controlled access highway on new location within a 400-foot right-of-way. The proposed project would be a toll facility.

Exhibits showing aerial photography and schematic plans of the proposed project will be presented at the meeting. Representatives from TxDOT and their study team will be available to answer individual questions. Public comments are encouraged. The schematic plan showing the proposed design is on file and available for inspection at the TxDOT Houston District Office at 7600 Washington Avenue, Houston, Texas 77007. The TxDOT office is open Monday through Friday, from 8:00 a.m. to 5:00 p.m., excluding state holidays.

Additional right-of-way would be required for the proposed project and displacements would be necessary. Personnel from the TxDOT Right-of-Way Section will be available to discuss TxDOT's Relocation Assistance Program that provides benefits and services for those that may be displaced. Information about the tentative right-of-way acquisition schedule may be obtained from the Houston District office.

Persons interested in attending the public meeting who have special communication or accommodation needs are encouraged to contact TxDOT's Public Information Office at 713-802-5072 at least two working days prior to the meeting. Since the public meeting will be conducted in English, any requests for language interpreters or other special communication needs should also be made at least two working days prior to the public meeting. TxDOT will make every reasonable effort to accommodate these needs.

All interested persons are invited to attend this public meeting. Written comments relative to the proposed project may be presented at the meeting or submitted to the Director of Project Development, Texas Department of Transportation, P.O. Box 1386, Houston, Texas 77251-1386, at any time on or before October 17, 2013. Comments may also be emailed on or before October 17, 2013 to HOU-PIOWebMail@txdot.gov.

SH 249 EXTENSION
From: FM 1774 in Pinehurst to FM 1774 in Todd Mission
PUBLIC MEETING
5:30 p.m. to 7:30 p.m.

This meeting will be in an *Open House* format beginning at 5:30 p.m. and ending at 7:30 p.m. All attendees are asked to sign-in at the Sign-In table located at the entrance to the meeting.

Project Description

The Texas Department of Transportation (TxDOT) Houston District, proposes to extend SH 249 from FM 1774 in Pinehurst to FM 1774 in Todd Mission as a four-lane divided controlled access toll facility on new location, with intermittent frontage roads, within a 400-foot right-of-way. The proposed project is approximately 15 miles long and approximately 690 acres of additional right-of-way would be required. Construction activities for the proposed project are anticipated to begin in 2015 and last approximately two years.

Purpose of Proposed Project

The project improvements are proposed to increase safety, reduce congestion, and improve operational efficiency.

Project History

Three public meetings have been held during the course of the Draft Environmental Impact Statement (DEIS) study:

- December 15, 2003 Scoping Meeting at Magnolia Elementary School to present the Universe of Build Alternatives as evaluated in the Major Investment Study.
- June 17, 2004 at Willie E. Williams Elementary School to present the five DEIS Alternative Alignments and the three DEIS Reasonable Alternative Alignments.
- November 18, 2004 at Magnolia Elementary School to obtain public comment on the three DEIS Reasonable Alternative Alignments and present Alternative Alignment C as the Recommended Alternative Alignment.

Purpose of Tonight's Public Meeting

The purpose of tonight's meeting is to afford the community an opportunity to view a new hybrid alignment that has been created based on public input during the environmental process and to comment on the new B/C Alternative Alignment which is the new Recommended Alignment Alternative.

The public is invited to ask questions and submit comments regarding the proposed project. Comments may be submitted in writing. Comment forms are available at the Sign-In table. Written comments may be submitted this evening, electronically to HOU-PIOWebMail@txdot.gov, or mailed to the address below. All comments must be received or postmarked by:

MEETING NOTES

EXTENSION de la autopista SH 249
Desde FM 1774 in Pinehurst hasta FM 1774 in Todd Mission
ASAMBLEA PÚBLICA
5:30 p.m. to 7:30 p.m.

Esta asamblea se realizará al estilo de *Open House* comenzando a las 5:30 p.m. y terminando a las 7:30 p.m. Se le pedirá a todos los asistentes, presentarse en la mesa de registro localizada a la entrada de la reunión.

Descripción del Proyecto

El Departamento de Transporte de Texas (TxDOT) para el Distrito de Houston, propone extender la via SH 249 desde FM 1774 en Pinehurst hasta FM 1774 en Todd Mission como una autopista de peaje con cuatro carriles divididos, y de acceso controlado en la nueva ubicación, con vías laterales intermitentes, dentro de 400 pies de derecho de via. El proyecto propuesto es aproximadamente 15 millas de largo y comprende un área cercana a 690 acres de derecho de via adicional que tendrá que ser adquirida. Se anticipa que la construcción de este proyecto comience en el año 2015 y dure aproximadamente 2 años.

Propósito del Proyecto

El proyecto incrementará la seguridad vial, reducirá la congestión, y mejorará la eficiencia operacional.

Historia del Proyecto

Se han realizado tres asambleas públicas durante el transcurso del estudio preliminary de Impacto Ambiental (DEIS)

- Diciembre 15, 2003 Reunión en la Escuela Elemental Magnolia para presentar el Universo de Alternativas de Construcción como habían sido evaluadas en el Estudio Mayor de Inversión
- Junio 17, 2004 Reunión en la Escuela Elemental Willie E. Williams para presentar las cinco alternativas de alineamientos DEIS, y las tres alternativas de alineamientos DEIS más razonables.
- Noviembre 18, 2004 Reunión en la Escuela Elemental Magnolia para obtener comentarios del público acerca de las tres alternativas de alineamientos DEIS más razonables y presentar la Alternativa del Alineamiento C como la recomendada.

Propósito de ésta Asamblea Pública

El propósito esta noche es darle la oportunidad a la comunidad de mirar un nuevo alineamiento híbrido que ha sido creado basado en la opinión pública obtenida durante el proceso ambiental, y comentar sobre la nueva Alternativa de Alineamiento "B/C", la cual es la nueva alternative recomendada.

El público esta invitado a formular preguntas sobre el proyecto, entregar sus comentarios por escrito esta noche, o enviarlos electronicamente a HOU-PIOWebMail@txdot.gov, o a la dirección escrita al final de este documento. Las formas para comentarios están localizadas en la mesa de registro. Todos los comentarios deberán ser recibidos o puestos en el correo antes de **Octubre 17, 2013**.

COMMENTS (COMENTARIOS):

I think 1774 needs to be utilized, it
is already there. You now are buying
ROW - PPOR planning - money not
well spent.

COMMENTS (COMENTARIOS):

Thanks for all you're doing to complete SH 249 to Navasota. This is long overdue! Growing congestion along SH 249 cries out for this project. There is no time for further delay - the time is ripe and the pieces are falling into place to complete SH 249 now. The number of silent supporters for this far outweigh the handful of dissenters. I am confident TxDOT can work its magic to produce the best possible solution.
~~Thanks again!~~ - DNER -

COMMENTS (COMENTARIOS):

The growth of Western Montgomery County has exploded, and current roadways are ~~inadequate~~ inadequate to handle mobility needs of the very near future. With the extensive time usually required to build roads, gridlock would be upon us without completion of this roadway - A young lady was ~~recently~~ recently killed in a head-on collision on FM #1774. This project, with divided lanes will provide safer transportation.

Thanks again for all your efforts!

COMMENTS (COMENTARIOS):

To be proactive with residential and business growth and opportunities coming to an region, the SH249 extension is necessary.

LET US HEAR FROM YOU!

Please provide your
comments and
questions on the
SH_249 below and
email to **Bob
Appleton**
(bob.appleton@txdot.gov).

You can also submit
your thoughts and
comments
electronically by
going to our website
([www.txdot.gov/
inside-txdot/projects/
studies/bryan/
sh249.html](http://www.txdot.gov/inside-txdot/projects/studies/bryan/sh249.html)).

Comments/Questions:

More land takings by eminent
domain are wrong!

If you think this is so good for
the public then put it in
your yard! your land!

Not honest hard-working
Texans!!

Check each of the following boxes that apply to
you:

☐ I am employed by TxDOT

☐ I do business with TxDOT

☐ I could benefit monetarily from the project or other item about
which I am commenting on

Texas Transportation Code, §201.811(a)(5)

COMMENTS (COMENTARIOS):

I think you need to take the extension above 1774. The people that live on 1774 know that they in the city on the road. The route you ~~that~~ want to take is going to displace people that moved out far from roads. You need to think of those people! ~~you should take this and the~~ Even thought the road with be 1/4 of a mile from my house and →

COMMENTS (COMENTARIOS):

you don't think you need to buy my land
we don't want to live that close to a freeway!
We don't want this road period! So...
take this Road and shove it!

COMMENTS (COMENTARIOS):

I own the property at FM 1774 where
249 is proposed to cross. I oppose
the realignment cross point and
would like you to reconsider the
"northern" route cross point.

LET US HEAR
FROM YOU!

Please provide your
comments and
questions on the
SH_249 below and
email to **Bob
Appleton**
(bob.appleton@txdot.gov).

You can also submit
your thoughts and
comments
electronically by
going to our website
(www.txdot.gov/inside-txdot/projects/studies/bryan/sh249.html).

COMMENTS (COMENTARIOS):

The realignment of the intersection
@ 1774 is not acceptable. As a
family landowner, we were ok with
the "Northern" alignment may have
been acceptable but when realigned -
the road now cuts family land in half

COMMENTS (COMENTARIOS):

The proposed SH 249 extension project forces the freeway
DIRECTLY over our house. The property now cannot
be sold since it is "poison" to all the know about it.
True environmental studies should be conducted
as their are protected species behind our property and
on our property. (Red-headed Woodpeckers, OWls, etc)
Reconsider alternate locations!!

COMMENTS (COMENTARIOS):

- there are 3 routes on the map that was mailed to us:
- Also on the internet. So when we get here we only see 1 map - "Proposed" is what we are told. Then when we ask if the other 2 are considered still we were told - yes - nothing written in stone just "Proposed" so how are we to "Propose" the next 2 yrs of our homes - Do we update? Do we sale? Do we wait? Talk to 4 people - Got 4 different "types" of answers
"We have no firm contract"
"We are looking @ 2015"

COMMENTS (COMENTARIOS):

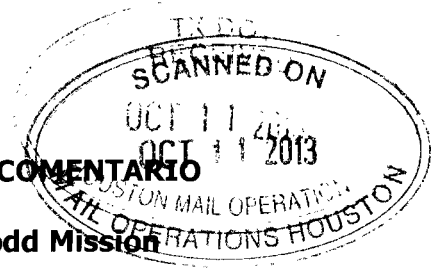

"We can't tell you stay or go" "This project is for the better of the area" "Will we be kept updated?" - Answers - "The best we can" "we mailed this meeting info to you" I explained some people (older) did not really read it comment - "Will it is on the internet - Really - How would they know those letters were 'mailed regular'" When looking at all of this - it does not seem - you were thinking of people & their land - Did you drive the area at? I know it is all about progress - But why not all? Stay on the 249 Path - go out - I think even the best Aggie Eng. would drive it & think of the country & land & what you are taking from our children

Comments:

Let me get this straight. Since December **2003**, only three public meetings have been held on this "project", the last public meeting before tonight (October 3, 2013), being on November 18, **2004**? The public has virtually heard nothing for **8 years**. Now suddenly this project resurfaces on a fast track. It appears to me that there is an undisclosed political agenda going on with regard to this project that IS NOT in the best interest of the general public and those who will be directly and negatively impacted by this "project."

With regard to the "anticipated benefits", give us specifics, because I am not seeing the "benefits" to the general public that would warrant the scope and cost of this "project". With controlled access, how could there be economic growth along the proposed highway? There would be no access to new businesses. In fact, anyone living along the highway may have limited or no access to the highway. Another fact that has been overlooked is that the people who live in these rural areas live there by choice. We don't care or desire to have an "efficient link" to the city/major highways. In fact we live in a rural area to specifically **escape** the traffic, noise, light and air pollution of the city. We live here in full knowledge of and willing to undertake a lengthy and time-consuming commute to our jobs, shopping centers, etc. because our quality of life in the country outweighs that of the city. The livelihood of those who farm and/or ranch along the path of this "project" will be in jeopardy. Grimes County has historically been an agricultural county and should be allowed to remain so. It appears this "project" is being built to cater to a minority of the population at the expense of those who will not in any way benefit from it, and may, in fact, have their chosen lifestyle destroyed by it.

It would seem to me that TXDOT should focus on spending our tax dollars on maintaining and improving the existing roadways...think how much could be done with the millions of dollars from this "project" alone....instead of building more roadways that are not necessary, will unduly burden the taxpayers for years to come, and benefit a select few.

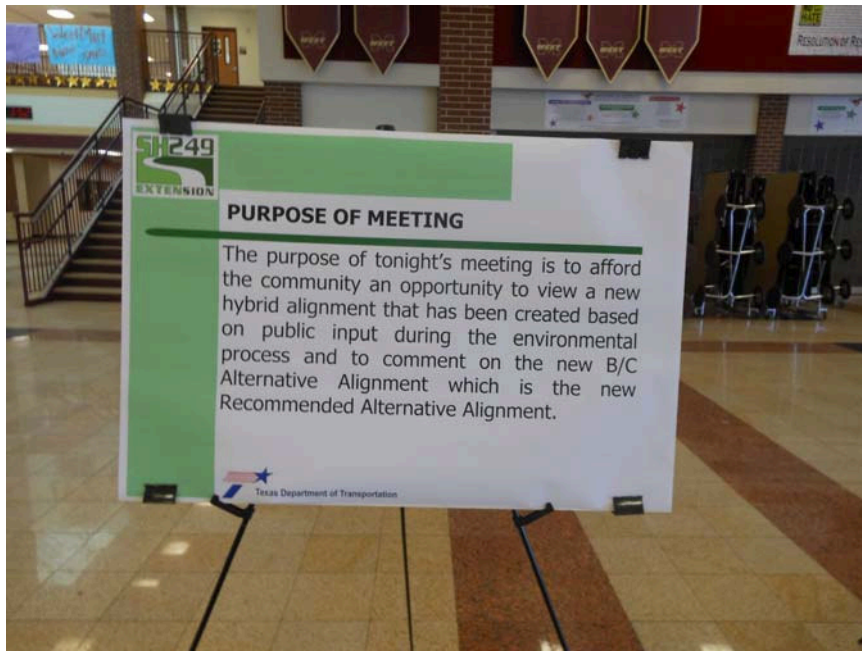

If Harris County wants the project, fine, but let it **stop** at the Harris County line. The countryside of Montgomery and Grimes counties along the route of this "project" will be ruined forever by this travesty, as will the lifestyle and livelihood of those in its path. It is time government agencies start listening to and stop interfering in the lives of the people who pay their salaries.
