RE: US 290 Design-Build (DB) Project – Pre-Procurement Partnering Industry Workshop Invitation

Dear Interested Colleague:

The Texas Department of Transportation will be conducting a Pre-Procurement Partnering Industry Workshop for the US 290 DB (Project). TxDOT cordially invites representatives to this workshop to discuss the Project.

The workshop will be held on Thursday, January 22, 2026, from 2:00 p.m. to 4:00 p.m. (CT). Representatives will have the opportunity to attend the workshop in-person in the Student Center Banquet Room of Blinn College located at 1007 W Second Street, Brenham, Texas 77833. There will not be a virtual attendance option.

We welcome this opportunity to have a meaningful discourse with all industry partners concerning TxDOT's planned development and implementation of the Project, and its approach to the procurement. Attendance at this workshop is not mandatory and interested parties will remain eligible to participate in the procurement of the Project if they do not attend. The workshop presentation and attendee sign-in sheet will be published to the Project's pre-procurement webpage after the workshop.

The Texas Department of Transportation looks forward to your attendance at the workshop and to continuing to work with you during the upcoming procurement of the Project.

Sincerely,

Signed by:
