

Reinforced Fabric Joint Underseal

Material Producer List
Materials and Tests Division

Texas Department of Transportation

Reinforced fabric Joint Underseal

The following products are pre-qualified in accordance with DMS-6260, "Reinforced Fabric Joint Underseal." The Department reserves the right to conduct random sampling of pre-qualified materials for testing and to perform random audits of test reports. Department representatives may sample material from the manufacturing plant, the project site, and the warehouse. Materials and tests Division(MTD) reserves the right to test to verify compliance with DMS-6260. For more information, contact the MTD's Rigid Pavements and Concrete Materials Branch at (512) 506-5858.
