<sup>(1)</sup> Toll Rates for these locations include the influence distance for the 0.55 mile tolled portion of the northern terminus of the Harris County Segment D.

\* Tag toll rates shown here correspond to Electronic Toll Collection (ETC) toll rates. Toll rates effective January 1, 2025.

† Non-Tag toll rates are calculated by applying a 50% surcharge over the Tag rate. The 2-axle Non-Tag toll rates are rounded to the nearest cent. The remaining 3+ axle toll rates are calculated using the 2-axle rates multiplied by the N-1 formula, where N is the number of axles. Additional fees apply for Non-Tag transactions. Toll rates effective 4/1/2025.
