New Security Measures for TxDOT Teams Meetings

To ensure a more secure meeting experience, TxDOT Information Technology Division changed how partners join TxDOT Teams meetings from external (non-txdot.gov) addresses effective May 20, 2025. Partners will be required to complete a CAPTCHA verification check before entering the meeting. This change aims to address concerns about potential security breaches caused by web-based bots joining, recording, and causing disturbances in Teams meetings and webinars. Thank you for your patience as this new security measure is implemented.
