

**Professional Engineering Procurement Services (PEPS) Division**  
**Solicitation No. 601CT0000006258**  
**Questions & Answers (Q&A)**  
**Q&A Posting Date: June 13, 2025**

Ref #	Provider Question	TxDOT Answer
1.	Will there be any CCIS precertifications required for the Project Manager.	No. Currently, we do not anticipate any CCIS precertification requirements for the Project Manager. Final PM requirements will be available once the solicitation is posted in Bonfire.
2.	Considering the scope of work outlined during the pre-RFP meeting, will TxDOT consider adding NLC categories for CAT Specialist or Digital Infrastructure Design?	No. The final Work Category list will be available once the solicitation is posted in Bonfire.
3.	Some consultants encountered login issues during the Pre-RFP meeting. Will there be another Pre-RFP meeting or recording provided?	No. All information covered during the Pre-RFP meeting is posted on the Consultant Information Meeting webpage. See link below.  <a href="#">Pre-RFP Meeting - Engineering Services - Strategic Initiatives and Innovations Division</a>
4.	If a firm encountered login issues and was only able to dial in by phone, can you add them to the sign-in sheet?	No. There will be no sign in sheet posted for this Pre-RFP meeting.
