Ref #	Provider Question	TxDOT Answer
1.	The 6.5.2. precertification requirement makes up 90% of the precertified categories. Is this an error?	No. These contracts pertain to the Nondestructive Evaluation of Bridges, with most of the work classified under category 6.5.2. Accordingly, this category has been allocated a 90% weighting.
2.	Is 6.5.1. considered an E&D related service?	No.
3.	Is 6.5.2. considered an E&D related service?	No.
