

Professional Engineering Procurement Services (PEPS) Division
Solicitation No. 601CT0000006299 and 601CT0000006300
Questions & Answers (Q&A)
Q&A Posting Date: 11-3-2025

Ref #	Provider Question	TxDOT Answer
1.	Does utility relocation mean both Municipal and Franchise?	Yes, it will include both.
2.	Will you require a Deputy Project Manager (PM)?	We do not anticipate requiring a Deputy PM for this solicitation.
3.	Will the firm selected for selected for the Advance Construction projects Construction Engineering and Inspection (CEI) contract under these procurements be precluded from pursuing the CEI of its corresponding Mainline Construction?	TxDOT does not speculate on future potential preclusions. Each situation will be evaluated individually.
4.	Who will serve on the Consultant Selection Team (CST)?	TxDOT no longer provides the names of the CST members in the RFP process.
