

Texas Department of Transportation Bicycle and Pedestrian Advisory Committee Member Application

TxDOT's Bicycle and Pedestrian Advisory Committee (BPAC)

BPAC's purpose is to advance bicycle and pedestrian matters as part of transportation planning and construction within Texas. The BPAC's scope includes bicyclist and pedestrian interests as well as consideration of micromobility devices as they relate to bicycling and pedestrian issues. TxDOT and the Texas Transportation Commission strive for a committee that is geographically balanced, professionally diverse, representative of the Texas population, and is knowledgeable about bicycle and pedestrian accommodations, active transportation, and funding. TxDOT is interested in representation from bicyclists, pedestrians and persons with disabilities that reflect the Texas population and would provide beneficial insights and perspectives that may be otherwise missed.

Membership

TxDOT's BPAC is an 11-member committee approved by the Texas Transportation Commission. Members are selected to serve a 3-year term (September 1 through August 31). Members are selected from all areas of the state and represent a cross-section of people with various backgrounds. Committee members cannot be employed by TxDOT. Members accept the position knowing that this is not a paid position and that they may be asked to travel, at their own expense. BPAC meetings are held virtually twice a year and in-person in Austin twice a year. In addition, meeting accessibility will be provided, as needed by any member appointed to the committee.

TxDOT seeks new membership on an on-going basis through solicitation of its 25 TxDOT District Bicycle & Pedestrian Coordinators and through various professional organizations involved in active transportation, including engineering, planning, research, disability advocacy organizations, walking advocacy groups, and bicycle related organizations.

Interested candidates are asked to submit a completed version of this form and his/her resume to TxDOT's Statewide Bicycle and Pedestrian Program (contact information below).

Name: _____ Date: _____

Address: _____ City: _____

Work Phone: _____ Home Phone: _____

Email: _____

Occupation and Employer: _____

| <input type="checkbox"/> Commuting/utilitarian travel | <input type="checkbox"/> Other _____ |
| <input type="checkbox"/> Multimodal access to transit | |

Why are you interested in participating as a member of TxDOT's BPAC?

Discuss any relevant work or volunteer experience that you would bring to the committee. Include any previous experience on a public agency or nonprofit commission, board, or committee.

Members regularly report on active transportation activities underway in their communities. Describe some of the ways that you are involved in your community that would inform how you represent your community.

What forms of active transportation do you use and for what purpose(s)?

Please describe your unique perspective that may provide new insights to BPAC.

Candidates must forward this form along with their resume to TxDOT's Statewide Bicycle and Pedestrian Program electronically by email or by regular mail as follows:

Email: BikePed@txdot.gov

USPS Mailing:

Austin, TX 78701-2483

If you need a language interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one can be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires accommodations to complete this application, please contact Elizabeth Jones, PTN, at (214) 535-7261. Please be aware that advance notice is required as some services and accommodations may require time for the Texas Department of Transportation to arrange.
