# Programs

Name	Description
<b>Rural Discretionary</b>	Assist public transportation providers in rural areas to provide passenger transportation services to the public using the most efficient combination of knowledge, materials, resources and technology. Rural Discretionary (RD) funds are available through this call for projects which <b>cannot reasonably be funded through FTA and State program formula allocations or local resources and are consistent with identified objectives</b> .
<b>Intercity Bus (ICB)</b>	Support connections, services, and infrastructure to <b>meet the intercity mobility needs of residents in rural areas</b> , consistent with identified objectives.

Table 1 – Programs Description

## Schedule and Milestones
