

Functional Classification Change Request

Checklist (Form 2373) Attachment

Map ID	Roadway	From	To
	Existing FC	Proposed FC	Length (mi)
	Project Information (if applicable): 350 character limit		
	Rationale for FC change:		
	<i>Detailed justification and context for the FC change requested:</i> 350 character limit	(Example: FM 1171 will improve east-west mobility and connectivity in southwest Denton County, while also providing access to the Texas Motor Speedway.)	

Map ID	Roadway	From	To
	Existing FC	Proposed FC	Length (mi)
	Project Information (if applicable): 350 character limit		
	Rationale for FC change:		
	<i>Detailed justification and context for the FC change requested:</i> 350 character limit	(Example: FM 1171 will improve east-west mobility and connectivity in southwest Denton County, while also providing access to the Texas Motor Speedway.)
