

Asphaltic Concrete Patching Material, Rapid-Curing (Containerized)

NOTE: Refresh the page to view the most current list.

The following products are pre-qualified in accordance with DMS-9203, “Rapid-Curing Asphaltic Concrete Patching Material (Containerized).” The Department reserves the right to randomly sample and test pre-qualified materials for specification compliance.

Mixtures will be provided in airtight, resealable plastic buckets of 3- to 5-gallon capacities.

For more information, please contact the Construction Division’s Flexible Pavements Branch at (512) 506-5836.
