

# Natural Pozzolans

Material Producer List  
Materials and Tests Division

## **Natural Pozzolans**

The following materials are qualified in accordance with DMS-4635, "Natural Pozzolans."

The Department reserves the right to conduct random sampling of qualified materials for testing and to perform random audits of test reports. Department representatives may sample material from the manufacturing plant, terminal, shipping container, and concrete plant. The Department reserves the right to test samples to verify compliance with DMS-4635.

For more information, contact the Materials & Tests Division's Rigid Pavements and Concrete Materials Section at (512) 506-5858.

## Natural Pozzolans

Producer Code	Plant	Location	Minimum Replacement for Option 1, % <sup>(1,2)</sup>	Allowed for SRC, Yes or No
98416	Tephra NP	Pueblo, Colorado	20	Yes

1. The Department will verify the minimum replacement for option 1 annually or when a major change occurs in material composition or production.
2. Option 8 can be followed to use a dosage lower than the minimum replacement value reported in the MPL.
