## Overhead Sign Support & Sign Walkway Fabrication Plants

The following overhead sign support structure and sign walkway fabrication plants have been approved in accordance with DMS-7380, "Steel Non-Bridge Member Fabrication Plant Qualification," which is referenced in Items 650 and 654.

The Department reserves the right to conduct random sampling and testing and visual inspections of materials from approved fabrication plants. Department representatives may sample and inspect material from the fabrication plant or the project site. Materials and Tests Division (MTD) reserves the right to test samples to verify compliance with Items 650 and 654.

For more information, contact MTD's Prefabricated Structural Materials Section at (512) 993-7117.
